THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Paragraph (f) of subdivision 2 and subdivision 4 of section 400.00 of the penal law, paragraph (f) of subdivision 2 as amended by chapter 189 of the laws of 2000 and subdivision 4 as amended by chapter 331 of the laws of 2005, are amended to read as follows:

4. Investigation. Before a license is issued or renewed, there shall be an investigation of all statements required in the application by the duly constituted police authorities of the locality where such application is made. For that purpose, the records of the appropriate office of the department of mental hygiene concerning previous or present mental illness of the applicant shall be available for inspection by the investigating officer of the police authority. THE POLICE AUTHORITY IN THE LOCALITY WHERE THE APPLICATION IS MADE SHALL CONDUCT A SEARCH OF THE NATIONAL INSTANT CRIMINAL BACKGROUND CHECK SYSTEM (NICS). In order to ascertain any previous criminal record, the investigating officer shall take the fingerprints and physical descriptive data in quadruplicate of each individual by whom the application is signed and verified. Two copies of such fingerprints shall be taken on standard fingerprint cards eight inches square, and one copy may be taken on a card supplied for that purpose by the federal bureau of investigation; provided, however, that in the case of a corporate applicant that has already been issued a dealer in firearms license and seeks to operate a firearm dealership at a second or subsequent location, the original fingerprints on file may

be used to ascertain any criminal record in the second or subsequent application unless any of the corporate officers have changed since the prior application, in which case the new corporate officer shall comply with procedures governing an initial application for such license. When completed, one standard card shall be forwarded to and retained by the division of criminal justice services in the executive department, at Albany. A search of the files of such division and written notification of the results of the search to the investigating officer shall be made without unnecessary delay. Thereafter, such division shall notify the licensing officer and the executive department, division of state police, Albany, of any criminal record of the applicant filed therein subsequent to the search of its files. A second standard card, or the one supplied by the federal bureau of investigation, as the case may be, shall be forwarded to that bureau at Washington with a request that the files of the bureau be searched and notification of the results of the search be made to the investigating police authority. The failure or refusal of the federal bureau of investigation to make the fingerprint check provided for in this section shall not constitute the sole basis for refusal to issue a permit pursuant to the provisions of this section. Of the remaining two fingerprint cards, one shall be filed with the executive department, division of state police, Albany, within ten days after issuance of the license, and the other remain on file with the investigating police authority. No such fingerprints may be inspected by any person other than a peace officer, who is acting pursuant to his special duties, or a police officer, except on order of a judge or justice of a court of record either upon notice to the licensee or without notice, as the judge or justice may deem appropriate. Upon completion of the investigation, the police authority shall report the results to the licensing officer without unnecessary delay.

S 2. This act shall take effect on the ninetieth day after it shall have become a law.
