2009-2010 Regular Sessions

I N S E N A T E

April 15, 2009

Introduced by Sens. MONTGOMERY, DILAN, MONSERRATE, THOMPSON -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law and the state finance law, in relation to establishing a temporary emergency educational fund to provide assistance to underfunded school districts; and providing for the repeal of such provisions upon the expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent. The legislature hereby finds that
2 decades of experience have shown that the state's current school funding
3 system has consistently underfunded hundreds of public schools across
4 the state. Currently the state is involved in a school finance lawsuit
5 (CAMPAIGN FOR FISCAL EQUITY, ET AL. V. THE STATE OF NEW YORK, ET AL.) in
6 which the constitutionality, sufficiency and social impact of the
7 state's school funding system are at issue. Unfortunately, it could take
8 years before the case is ultimately resolved. Meanwhile, time marches
9 on and millions of schoolchildren continue to attend public schools
10 which lack the resources needed to prepare them for productive citizen-
11 ship in the twenty-first century. These children, caught between legal
12 and political crossfire, are being denied the monetary, educational,
13 psychological and social resources they desperately need, and as a
14 result are being irreparably harmed.
15 The legislature declares that this act addresses the need to protect
16 students from the potentially irreparable harm they are exposed to due
17 to a severe lack of educational resources in public schools. According-
18 ly, this act seeks to provide emergency funding for critical educational
19 resources to benefit the millions of children who cannot wait until
20 protracted legal disputes are resolved before receiving the tools they
21 need in order to meet resource-driven academic standards.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets
[] is old law to be omitted.
