INSTRUCTIONAL EXPENSES. Pursuant to regulations of the commissioner, the report card shall also compare these measures to statewide averages for all boards of cooperative educational services. Such report card shall include, at a minimum, any information of the board of cooperative educational services regarding pupil performance and expenditure per pupil required to be included in the annual report by the regents to the governor and the legislature pursuant to section two hundred fifteen-a of this chapter; and any other information required by the commissioner. S 4. Subdivision 24 of section 2554 of the education law, as amended by chapter 91 of the laws of 2002, is amended to read as follows:

- 24. Each year, the board of education shall prepare a school district report card, pursuant to regulations of the commissioner, and shall make it publicly available by transmitting it to local newspapers of circulation, appending it to copies of the proposed budget made publicly available as required by law, making it available for distribution at the annual meeting, and otherwise disseminating it as required by the Such report card shall include measures of the academic commissioner. performances of the school district, on a school by school basis, measures of the fiscal performance of the district, as prescribed by the INCLUDING, BUT NOT LIMITED TO, THE PERCENTAGE OF THE commissioner, SCHOOL DISTRICT BUDGET THAT IS SPENT ON INSTRUCTIONAL EXPENSES. to regulations of the commissioner the report card shall also compare these measures to statewide averages for all public schools, and statewide averages for public schools of comparable wealth and need, developed by the commissioner. Such report card shall include, at a minimum, any information on the school district regarding pupil performance and expenditure per pupil required to be included in the annual report by the regents to the governor and the legislature pursuant to section two hundred fifteen-a of this chapter; and any other information required by the commissioner. School districts (i) identified as having fifteen percent or more of their students in special education, or (ii) which have fifty percent or more of their students with disabilities in special education programs or services sixty percent or more of the school day in a general education building, or (iii) which have eight percent or more of their students with disabilities in special education in public or private separate educational settings shall indicate on their school district report card their respective percentages defined in this paragraph and paragraphs (i) and (ii) of this subdivision as compared to the statewide average.
- S 5. Subdivision 24 of section 2554 of the education law, as added by chapter 474 of the laws of 1996, is amended to read as follows:
- 24. In every city school district in a city having a population of less than one million inhabitants, each year, the board of education shall prepare a school district report card, pursuant to regulations of the commissioner, and shall make it publicly available by transmitting it to local newspapers of general circulation, appending it to copies of proposed budget made publicly available as required by law, making it available for distribution at the annual meeting, and otherwise disseminating it as required by the commissioner. Such report card shall include measures of the academic performances of the school district, on school by school basis, and measures of the fiscal performance of the district, as prescribed by the commissioner, INCLUDING, BUT NOT THE PERCENTAGE OF THE SCHOOL DISTRICT BUDGET THAT IS SPENT ON INSTRUCTIONAL EXPENSES. Pursuant to regulations of the commissioner the report card shall also compare these measures to statewide averages all public schools, and statewide averages for public schools of compa-

rable wealth and need, developed by the commissioner. Such report card shall include, at a minimum, any information on the school district regarding pupil performance and expenditure per pupil required to be included in the annual report by the regents to the governor and the legislature pursuant to section two hundred fifteen-a of this chapter; and any other information required by the commissioner. School districts (i) identified as having fifteen percent or more of their students in special education, or (ii) which have fifty percent or more of their students with disabilities in special education programs or services sixty percent or more of the school day in a general education building, or (iii) which have eight percent or more of their students with disabilities in special education programs in public or private separate educational settings shall indicate on their school district report card their respective percentages as defined in this paragraph and paragraphs (i) and (ii) of this subdivision as compared to the statewide average.

- S 6. Subdivision 8 of section 2590-e of the education law, as amended by chapter 123 of the laws of 2003, is amended to read as follows:
- Each year prepare a school district report card pursuant to requlations of the commissioner, and shall make it publicly available by transmitting it to local newspapers of general circulation, appending it copies of the proposed budget made publicly available as required by law, making it available for distribution at the annual meeting, otherwise disseminating it as required by the commissioner. Such report card shall include measures of the academic performance of the school basis, and measures of the fiscal district, on a school by school performance of the district, as prescribed by the commissioner, NOT LIMITED TO, THE PERCENTAGE OF THE SCHOOL DISTRICT BUDGET THAT IS SPENT ON INSTRUCTIONAL EXPENSES. Pursuant to regulations of the commissioner, the report card shall also compare these measures statewide averages for all public schools, and statewide averages for public schools of comparable wealth and need, developed by the commissioner. Such report card shall include, at a minimum, any information on school district regarding pupil performance and expenditure per pupil required to be included in the annual report by the requests to the governor and the legislature pursuant to section two hundred fifteen-a of this chapter; and any other information required by the commissioner. School districts (i) identified as having fifteen percent or more of their students in special education, or (ii) which have fifty percent or more of their students with disabilities in special education programs or services sixty percent or more of the school day in a general education building, or (iii) which have eight percent or more of their students with disabilities in special education programs in public private separate educational settings shall indicate on their school district report card their respective percentages as defined paragraph and paragraphs (i) and (ii) of this subdivision as compared to the statewide average.
 - S 7. Subdivision 8 of section 2590-e of the education law, as amended by chapter 720 of the laws of 1996, is amended to read as follows:
- 8. Each year prepare a school district report card pursuant to regulations of the commissioner, and shall make it publicly available by transmitting it to local newspapers of general circulation, appending it to copies of the proposed budget made publicly available as required by law, making it available for distribution at the annual meeting, and otherwise disseminating it as required by the commissioner. Such report card shall include measures of the academic performance of the school district, on a school by school basis, and measures of the fiscal
