Introduced by Sens. DUANE, DIAZ, FOLEY, HASSELL-THOMPSON, MONTGOMERY,  
ONORATO -- (at request of the Governor) -- read twice and ordered  
printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law and the agriculture and markets  
law, in relation to the posting of calorie content values for food  
sold by retail food establishments and retail food service operations

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-  
BLY, DO ENACT AS FOLLOWS:

1     Section 1. Legislative intent. The legislature finds that rates of  
2 obesity in the state of New York have increased to epidemic proportions.  
3 Obesity is associated with numerous health problems, including, but not  
4 limited to, diabetes, heart disease, cancer, osteoarthritis and asthma,  
5 and carries a great public health cost. On average, Americans consume  
6 one-third of their calories from dining away from home or purchasing  
7 prepared meals to bring home, and there is evidence that consumers find  
8 it difficult to estimate the calorie counts of typical restaurant meals.  
9 It is important to ensure that consumers are provided with information  
10 sufficient to allow them to make informed decisions about their dining  
11 choices.

12     S 2. Section 1351 of the public health law is amended to read as  
13 follows:

14     S 1351. Food places; duty to permit inspections. Every owner, opera-  
15 tor, lessor, lessee or person in charge of any hotel, restaurant, dining  
16 room, dining car, drug store, soda fountain, steamboat or other place  
17 engaged in the preparation, sale or service of food for and to the  
18 general public, and every officer or other person in charge of any  
19 public, penal or charitable institution in this state, shall permit the  
20 commissioner or his duly authorized agents or employees to have access  
21 to all parts of any and all of such places herein mentioned wherein food  
22 is stored, prepared or served for the purpose of ascertaining whether  
23 the provisions of sections thirteen hundred fifty to thirteen hundred

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets
