2 and not-for-profit corporations for and related to protecting, improv-
3 ing, and enhancing the quality of drinking water and enhancement of
4 water bodies; by providing funds for open space, farmland protection,
5 habitat restoration, climate change adaptation, water quality related
6 research and development and for parks; for repairing, replacing and
7 updating municipal wastewater and drinking water infrastructure; for
8 preserving, enhancing, restoring and maintaining the quality of the air;
9 for restoring and improving contaminated areas and returning those to
10 productive use; for improving environmental health; for protection and
11 pollution prevention projects in urban communities, community gardens
12 and greenways; for energy efficiency, residential and municipal building
13 weatherization; for energy research and development; and for fuel effi-
14 cient transit fleet programs and green transit oriented projects.

15 The legislature may, by appropriate legislation and subject to such
16 conditions as it may impose, make available out of the proceeds of the
17 sale of bonds authorized in this section, moneys disbursed or to be
18 disbursed for state programs or state assistance payments toward the
19 cost of such programs undertaken by or through a state or local public
20 authority or public benefit corporation, not-for-profit corporation,
21 county, city, town, village, school district, supervisory district,
22 district corporation, improvement district within a county, city, town,
23 village, or Indian tribe residing in whole or in part within New York
24 state, or any combination thereof, for the purpose of preserving,
25 enhancing, restoring, and improving the quality of the state's environ-
26 ment and natural resources.

27 S 3. Bonds of the state. The state comptroller is hereby authorized
28 and empowered to issue and sell bonds of the state to the amount of five
29 billion dollars (\$5,000,000,000) for the purpose of this act, subject to
30 the provisions of article 5 of the state finance law. The aggregate
31 principal amount of such bonds shall not exceed five billion dollars
32 excluding bonds issued to refund or otherwise repay bonds theretofore
33 issued for such purpose; provided, however, that upon any such refunding
34 or repayment the total aggregate principal amount of outstanding bonds
35 may be greater than five billion dollars only if the present value of
36 the aggregate debt service of the refunding or repayment bonds to be
37 issued shall not exceed the present value of the aggregate debt service
38 of the bonds to be refunded or repaid. The method for calculating pres-
39 ent value shall be determined by law.

40 S 4. Use of moneys received. The moneys received by the state from the
41 sale of bonds sold pursuant to this act shall be expended pursuant to
42 appropriations in the following amount:

43 a. For clean water through the protection of the state's watersheds
44 and natural resources; drinking water supply protection and flood
45 control projects, including the protection of open space, farmland
46 protection, habitat restoration, climate change adaptation, water quali-
47 ty related research and development, and for state and municipal parks,
48 one billion dollars (\$1,000,000,000).

49 b. For clear water infrastructure including repairing, replacing, and
50 updating New York's municipal wastewater infrastructure and drinking
51 water supply systems, one billion dollars (\$1,000,000,000).

52 c. For improving environmental health and community restoration,
53 including protection and pollution prevention projects in urban communi-
54 ties, restoring and improving contaminated areas and returning those to
55 productive use, improving environmental health, community gardens and
56 greenways, one billion dollars (\$1,000,000,000).

1 d. For the creation of green jobs through energy efficiency, including
2 residential, municipal and state building weatherization and energy
3 efficiency research and development projects, one billion dollars
4 (\$1,000,000,000).

5 e. For preserving, enhancing, restoring and maintaining the quality of
6 the air and for fuel efficient transit fleet projects, and green transit
7 oriented projects, one billion dollars (\$1,000,000,000).

8 S 2. This act shall take effect immediately, provided that the
9 provisions of section one of this act shall not take effect unless and
10 until this act shall have been submitted to the people at the general
11 election to be held in November 2010, and shall have been approved by a
12 majority of all votes cast for and against it at such election. Upon
13 approval by the people, section one of this act shall take effect imme-
14 diately. The ballots to be furnished for the use of voters upon
15 submission of this act shall be in the form prescribed by the election
16 law and the proposition or question to be submitted shall be printed
17 thereon in substantially the following form, namely, "Shall chapter
18 (here insert the number of the chapter) of the laws of 2010 known as the
19 clean water/clean air/green jobs bond act of 2010, authorizing the
20 creation of state debt to provide moneys for the preservation, enhance-
21 ment, restoration, and improvement of the quality of the state's envi-
22 ronment and natural resources, promote energy efficiency and energy
23 security; and invest in the creation of clean and green jobs in the
24 amount of five billion dollars be approved?".
