18 DOLLARS, (F) principally used in the ordinary course of the taxpayer's
19 business as an exchange registered as a national securities exchange
20 within the meaning of sections 3(a)(1) and 6(a) of the Securities
21 Exchange Act of 1934 or a board of trade as defined in section
22 1410(a)(1) of the New York Not-for-Profit Corporation Law or as an enti-
23 ty that is wholly owned by one or more such national securities
24 exchanges or boards of trade and that provides automation or technical
25 services thereto, or (G) principally used as a qualified film production
26 facility including qualified film production facilities having a situs

28 the general municipal law, where the taxpayer is providing three or more
29 services to any qualified film production company using the facility,
30 including such services as a studio lighting grid, lighting and grip
31 equipment, multi-line phone service, broadband information technology
32 access, industrial scale electrical capacity, food services, security
33 services, and heating, ventilation and air conditioning. For purposes of
34 clauses (D), (E), (E-1) and (F) of this subparagraph, property purchased
35 by a taxpayer affiliated with a regulated broker, dealer, registered
36 investment adviser, national securities exchange or board of trade, is
37 allowed a credit under this subdivision if the property is used by its
38 affiliated regulated broker, dealer, registered investment adviser,
39 national securities exchange or board of trade in accordance with this
40 subdivision. For purposes of determining if the property is principally
41 used in qualifying uses, the uses by the taxpayer described in clauses
42 (D) [and], (E), AND (E-1) of this subparagraph may be aggregated. In
43 addition, the uses by the taxpayer, its affiliated regulated broker,
44 dealer, and registered investment adviser under [either or both] ANY of
45 those clauses may be aggregated. Provided, however, a taxpayer shall
46 not be allowed the credit provided by clauses (D), (E), (E-1) and (F) of
47 this subparagraph unless (I) eighty percent or more of the employees
48 performing the administrative and support functions resulting from or
49 related to the qualifying uses of such equipment are located in this
50 state or (II) the average number of employees that perform the adminis-
51 trative and support functions resulting from or related to the qualify-
52 ing uses of such equipment and are located in this state during the
53 taxable year for which the credit is claimed is equal to or greater than
54 ninety-five percent of the average number of employees that perform
55 these functions and are located in this state during the thirty-six
56 months immediately preceding the year for which the credit is claimed,

1 or (III) the number of employees located in this state during the taxa-
2 ble year for which the credit is claimed is equal to or greater than
3 ninety percent of the number of employees located in this state on
4 December thirty-first, nineteen hundred ninety-eight or, if the taxpayer
5 was not a calendar year taxpayer in nineteen hundred ninety-eight, the
6 last day of its first taxable year ending after December thirty-first,
7 nineteen hundred ninety-eight. If the taxpayer becomes subject to tax in
8 this state after the taxable year beginning in nineteen hundred ninety-
9 eight, then the taxpayer is not required to satisfy the employment test
10 provided in the preceding sentence of this subparagraph for its first
11 taxable year. For purposes of clause (III) of this subparagraph the
12 employment test will be based on the number of employees located in this
13 state on the last day of the first taxable year the taxpayer is subject
14 to tax in this state. If the uses of the property must be aggregated to
15 determine whether the property is principally used in qualifying uses,
16 then either each affiliate using the property must satisfy this employ-
17 ment test or this employment test must be satisfied through the aggre-
18 gation of the employees of the taxpayer, its affiliated regulated
19 broker, dealer, and registered investment adviser using the property.
20 For purposes of this subdivision, the term "goods" shall not include
21 electricity.

22 S 2. This act shall take effect immediately.
