Introduced by Sen. BONACIC -- read twice and ordered printed, and when printed to be committed to the Committee on Mental Health and Developmental Disabilities

AN ACT to amend the mental hygiene law, in relation to establishing the task force on adults with autism; and providing for the repeal of such provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings. The legislature finds that autism is
2 a lifelong disability, yet much of the focus on autism spectrum disorders
3 relates to education and development, and neglects concerns that
4 may arise later in a person's life. The legislature also finds that
5 adults with autism may face significant challenges in various aspects of
6 their lives, including such areas as job placement, housing and long-
7 term care. Further, just as the autism spectrum covers a wide range of
8 functional abilities, so does the need for services and supports for
9 adults with autism. Consequently, the legislature finds that there is a
10 pressing need for policymakers and advocates in the state to formulate
11 achievable goals for state government to meet in order to better serve
12 the community of adults with autism spectrum disorders. To this end, it
13 is in the public interest to establish a task force on adults with
14 autism to develop a comprehensive plan for meeting the various needs of
15 adults with autism spectrum disorders living in New York.

16 S 2. The mental hygiene law is amended by adding a new section 13.41
17 to read as follows:

24 NEEDS. THE RECOMMENDATIONS OF THE TASK FORCE SHALL COMPRISE THE BASIS
