Introduced by Sen. C. JOHNSON -- read twice and ordered printed, and  
when printed to be committed to the Committee on Local Government

AN ACT to authorize the village of Plandome Heights to discontinue the  
use of certain land as parkland

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1     Section 1. Subject to the provisions of this act but notwithstanding  
2     any provision of law to the contrary, the village of Plandome Heights,  
3     located in the county of Nassau, is hereby authorized, acting by and  
4     through its village board of trustees, and upon such terms and conditions as are determined by such board, to discontinue the use as parkland of the land more particularly described in section four of this act, and to discontinue and convey at fair market value such parklands which are no longer needed for park purposes.
- 9     S 2. Notwithstanding the failure of the village of Plandome Heights to seek or receive state legislative authorization to alienate those parklands described in section four of this act, such alienation is hereby validated, legalized, ratified and confirmed.
- 13    S 3. The authorization provided for in section one of this act shall be subject to the requirement that, upon the alienation of the lands more particularly described in section four of this act, the village of Plandome Heights shall dedicate the fair market value of such lands for the acquisition of new parklands of equal or greater fair market value and/or for capital improvements to existing park and recreational facilities.
- 20    S 4. The parklands authorized to be discontinued by section one of this act are further bounded and described as follows:
- 22    All that certain plot, piece or parcel of land situate, lying and being located within the Village of Plandome Heights, Town of North Hempstead, County of Nassau and State of New York, being more particularly bounded and described as follows:
- 26    Beginning at a point which is located the following 5 courses and distances from the extreme southerly end of the arc of a curve having a
