Introduced by Sen. C. JOHNSON -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT in relation to authorizing the metropolitan transportation authority to submit two-year capital program plans to the metropolitan transportation authority capital program review board

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Notwithstanding any other provision of law to the contrary, the two capital program plans for the five-year period commencing January 1, 2010 required to be submitted by the metropolitan transportation authority to the metropolitan transportation authority capital program review board pursuant to section 1269-b of the public authorities law shall contain capital programs for only the two-year period from January 1, 2010 to December 31, 2011. Such two-year plans shall be approved or disapproved in the same manner as set forth in such section 1269-b, and all other provisions of such section shall continue to apply to such plans. The legislature recognizes that the needs of the metropolitan transportation authority should be addressed on a long-term stable basis, and this authorization for the submission of two-year capital program plans shall not permit the metropolitan transportation authority to cease or reduce its five-year planning process. On or before October 1, 2010, the metropolitan transportation authority shall submit amendments to these two-year plans to cover the five-year period commencing January 1, 2010, and hereafter no further two-year submissions shall be permitted. This section shall only apply to such two-year plans submitted for calendar years 2010 and 2011.

S 2. This act shall take effect immediately.
