AN ACT to provide a temporary retirement incentive for certain public employees (Part A); and to provide an age 55/25 years temporary retirement incentive for certain public employees (Part B)

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. This act enacts into law components of legislation that
2 would enable public employers to offer a temporary retirement incentive
3 to their employees, as well as to provide an age 55/25 years temporary
4 incentive for certain public employees. Each component is wholly

6 for each particular provision contained within such Part is set forth in
7 the last section of such part. Any provision in any section contained
8 within a Part, including the effective date of the Part, which makes
9 reference to a section "of this act", when used in connection with that
10 particular component, shall be deemed to mean and refer to the corre-
11 sponding section of the Part in which it is found, unless noted other-
12 wise. The benefits of this act shall not be applicable to anyone who
13 first became a member of a public retirement system of the state on or
14 after January first, two thousand ten.

15 S 2. Legislative findings. The legislature finds and declares that the
16 retirement benefits provided for in this act are designed to achieve
17 cost-savings for public employers and to avoid layoffs of public employ-
18 ees in this time of fiscal need. Therefore, the retirement incentive
19 benefit provided for in Part A of this act and the age 55/25 years
20 retirement benefit provided for in Part B of this act are intended only
21 to be temporary in nature for employees who are eligible to receive and
22 qualify for the applicable benefit during the applicable time periods
23 specified within each Part. Further, nothing in this act shall be
24 construed to create an expectation of a future or continuing retirement
25 benefit for any public employee who is not eligible to receive and qual-

3 tified by agency, department, work location or appointing authority in
4 which positions would not be eliminated but into which employees in

31 j. "Open period" means the period beginning with the commencement

48 this section, and not beyond August 31, 2010 for educational employers.
49 For the purposes of retirement pursuant to this act, a service retire-

52 become effective, unless a shorter period of time is permitted under
53 law.

54 k. "Commencement date" means the first day the retirement incentive
55 authorized by this act shall be made available, which shall mean a date

1 director of state operations for the executive branch of the state, and

8 date of each open period applicable to employees of the executive branch
9 or of a state employer prior to the commencement date.

10 S 2. The determination of whether a title shall be considered eligible
11 shall consider whether the reduction of a specific number of positions
12 within a title would unacceptably:

13 a. Directly result in a reduction of the level of service required or
14 mandated to protect and care for clients of the state or a participating
15 employer or to assure public health and safety;

16 b. Endanger the health or safety of employees of the state or a
17 participating employer; or

18 c. Clearly result in a loss of significant revenue to the state or a
19 participating employer or result in substantially increased overtime or
20 contractual costs. However, upon the determination of the director of
21 state operations, with respect to employees of the executive branch of a
22 state employer, any titles may be determined eligible if the vacancies
23 created can be controlled by the use of transfer or reassignment
24 provisions of the civil service law, rules or regulations or other
25 deployment of state employees.

26 S 3. a. Eligibility for inclusion in the retirement incentive provided
27 by section six of this act shall be determined: (a) by seniority: for
28 participating employers and for state employers described in paragraphs
29 (a), (b), (c), (d), (e) and (f) of subdivision d of section one of this
30 act, other than for college faculty; seniority shall mean the date of

32 adjusted to include veteran's credits for those entitled to receive such
33 credits pursuant to sections 80, 80-a and 85, if applicable, of the
34 civil service law, as established in the official records of the depart-
35 ment of civil service, regardless of the jurisdictional classification
36 of the position or the status of the incumbent; (b) by seniority, as
37 applicable for the unified court system; (c) for state employers
38 described in paragraphs (h), (i) and (j) of subdivision d of section one
39 of this act as determined by the person or persons who make the election
40 to offer the retirement incentive; and (d) for college faculty, by the
41 board of trustees of the state university, city university and of each
42 community college operating under the program of the state university.

43 b. All eligible employees serving in eligible titles desiring to avail
44 themselves of the retirement incentive provided by section six of this
45 act shall provide written notice to his or her employer on or before the
46 twenty-first day preceding the end of the open period, or before the end
47 of the applicable open period as such open period is determined by the
48 director of state operations. Failure to provide such written notice
49 shall render the employee ineligible for the retirement incentive
50 provided by this act.

51 S 4. a. On or before August 31, 2010, a participating employer or a
52 state employer described in paragraphs (b), (c), (d), (e) and (f) of
53 subdivision d of section one of this act may elect to provide its
54 employees the retirement incentive authorized by this act by (a) the
55 enactment of a local law or (b) in the case of a participating employer
56 which is not so empowered to act by local law or a state employer

1 described in paragraphs (b), (c), (d), (e) and (f) of subdivision d of
2 section one of this act, by the adoption of a resolution of its govern-
3 ing body; provided however, no local law or resolution enacted pursuant
4 to this section shall in any manner supersede any local charter,
5 provided further, that for an educational employer such election must be
6 made by July 30, 2010. The local law or resolution shall specify the
7 commencement date of the program and the length of the open period. For
8 a community college operating under the program of state university of
9 New York, such election shall be made by the board of trustees of such
10 community college subject to the approval of its sponsor. A copy of such
11 law or resolution shall be filed with the appropriate retirement system
12 or systems, and, if applicable, on forms provided by such system. The
13 local law or resolution shall be accompanied by the affidavit of the
14 chief executive officer or other comparable official certifying to the
15 information contained in subdivision b of this section.

16 b. Notwithstanding any other provision of law, the benefits provided
17 by this act shall not be made available to any person who (a) has
18 received any retirement incentive authorized by any provision of state
19 law, or (b) who receives, has received or is eligible to receive a
20 payment in a lump sum or in another form from a retirement incentive
21 pursuant to the provisions of a collective bargaining agreement or by
22 other arrangement with his or her employer, unless such person files a
23 written statement with his or her employer, a copy of which shall be
24 forwarded to the appropriate retirement system, that he or she agrees to
25 waive any right to such payment. A participating employer who makes an
26 election pursuant to this section and who offers or has offered a
27 retirement incentive pursuant to the provisions of a collective bargain-
28 ing agreement or by other arrangement shall prepare, and file with each
29 retirement system, a list containing the names and social security
30 numbers of all persons described in this subdivision. A participating
31 employer is authorized to exempt persons in its employ from the
32 provisions of paragraph (b) of this subdivision. Such exemption shall be
33 made part of the election made pursuant to this section; provided,
34 however, that such exemption shall not allow any employee who retires
35 under the provisions of chapter 45 of the laws of 2010 to receive a
36 retirement incentive authorized by this act.

37 c. Notwithstanding any other provision of this act to the contrary,
38 the mayor of the city of New York may declare employees of the community
39 colleges of the city university of New York ineligible for the retire-
40 ment incentive provided by this act by filing such notification with the
41 chancellor of the city university of New York, with copies to the chair
42 of the senate finance committee, the chair of the assembly ways and
43 means committee and the director of the budget, in writing, no later
44 than the thirtieth day next succeeding the effective date of this act.

45 S 5. Notwithstanding any other provision of law, any eligible employee
46 serving in an eligible title who:

47 a. has been continuously in the active service of a state employer or
48 of a participating employer from February 1, 2010 to the date immedi-
49 ately prior to the commencement date of the applicable open period;

50 b. files an application for service retirement (or files the appropri-

52 program and a duly acknowledged retirement incentive form for such
53 program with the appropriate personnel office) that is effective during
54 the open period; and

55 c. is otherwise eligible for a service retirement as of the effective
56 date of the application for retirement shall be entitled to the retire-

1 ment incentive provided in section six of this act. If not otherwise
2 eligible for a service retirement, the following person shall be deemed
3 to satisfy the eligibility condition of this section: a person who is at
4 least age fifty with ten or more years service as of the effective date
5 of retirement (other than a member of a retirement plan which provides
6 for half-pay pension upon completion of twenty-five years or less
7 service without regard to age); a member of a retirement plan which
8 provides for half-pay pension upon completion of twenty-five years of
9 service without regard to age who has not accrued, excluding additional
10 credit granted pursuant to this act, the minimum number of years of
11 service required to retire with an allowance equal to fifty percent of
12 final average salary under such plan, but has, with the inclusion of the
13 additional credit provided under this act, accrued such number of years
14 of credit; or a participant in an optional retirement plan at least
15 fifty years of age with ten years of service on an annual salary basis
16 with his or her employer as of the date of retirement.

17 S 6. Notwithstanding any other provision of law, an eligible employee
18 serving in an eligible title who is:

19 a. A member of a retirement system and who is entitled to a retirement
20 incentive pursuant to section five of this act shall receive a retire-
21 ment incentive of one-twelfth of a year of additional retirement credit
22 for each year of pension service credited as of the date of retirement,
23 up to a maximum of three years of retirement service credit at the time
24 of retirement, provided, however, that service credit provided under the
25 provisions of sections 902 and 911 of the retirement and social security
26 law shall not be included when calculating the additional retirement
27 credit awarded pursuant to this act. For the New York city teachers'
28 retirement system, the New York city employees' retirement system and
29 the New York city board of education retirement system such incentive
30 shall be available for all purposes, including fulfilling the qualifying
31 service requirements of plan A and C, if applicable.

32 An eligible employee who is covered by the provisions of article 15 of
33 the retirement and social security law shall retire under the provisions
34 of article 15 of the retirement and social security law. The amount of
35 such benefit for an eligible employee who is covered by article 15 of

39 a teachers' retirement system) shall be reduced by six percent for each
40 of the first two years by which retirement precedes age sixty-two, plus
41 a further reduction of three percent for each year by which retirement
42 precedes age sixty, provided, however, the foregoing reductions shall
43 not apply: (i) in any case where an eligible employee can retire after

47 an eligible employee can retire for service without reduction of his or
48 her service retirement allowance pursuant to article 16 of the retire-
49 ment and social security law. Such reduction shall be prorated for
50 partial years. The amount of such benefit for an eligible employee with
51 thirty or more years of service who is a member of the New York state
52 and local employees' retirement system or a teachers' retirement system

8 effective date of this act but for the retirement incentive provided
9 herein shall be no more than one-half of the total amount of base salary
10 that would have been paid to such eligible employees from their date of
11 retirement for such two-year period. Each such employer shall make

13 b. The city of New York or the city university of New York, as defined
14 in subdivision 2 of section 6202 of the education law, shall not be

33 board is described in paragraph (a) of this subdivision; or (c)
34 appointed or designated by any combination of the foregoing. Each such
35 employer shall make available its plans for achieving these savings.

36 c. To the extent any transfer of personnel between the state employer
37 described in paragraph (a) of subdivision d of section one of this act
38 and the state employer described in paragraph (b) of subdivision d of
39 section one of this act occurs pursuant to a voluntary transfer of state

S 13. The provisions of section 430 of the retirement and social security law shall not apply to any benefit or benefit improvement provided by this act.

S 14. The pension benefit costs of subdivision a of section six of this act shall be paid by employers as provided by applicable law for each retirement system covered by this act over a period not to exceed five years commencing in the state fiscal year ending March 31, 2012.

33 S 4. This act shall take effect immediately; provided, however, that
34 the applicable effective date of Parts A and B of this act shall be as
35 specifically set forth in the last section of such Parts.

FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would provide additional service credit (one-twelfth of a year for each year of non-sick leave, non-Article 19 service credited as of the date of retirement, up to a maximum of three years) for certain members of the New York State and Local Employees' Retirement System, New York State Teachers' Retirement System, New York City Teachers' Retirement System, New York City Board of Education and the New York City Employees' Retirement System. Further, for certain members who are not otherwise eligible for a service retirement benefit, this bill would provide the ability to retire with reductions. This benefit would be available to only targeted positions.

In addition, this bill would eliminate the early retirement reductions at 25 years of service instead of at 30 years of service for retirement during a specified 90 day period for Tier 2, 3 and 4 members of the New York State and Local Employees' Retirement System, New York State Teachers' Retirement System, New York City Teachers' Retirement System, New York City Board of Education and the New York City Employees' Retirement System. Employers electing this provision can declare health and safety positions to be ineligible.

Retiring members may not receive both the additional service credit and the elimination of the early retirement reductions at 25 years of service instead of at 30 years of service.

If this bill is enacted, insofar as it affects the New York State and Local Employees' Retirement System (ERS), the additional cost for each member who receives these benefits will vary depending on the member's age, years of service, plans and final average salary.

We anticipate that the per-member cost (at retirement) of the additional service credit benefit will average approximately 60% of a member's final average salary. This cost will be borne by each employer electing the incentive over a five-year period commencing with a payment in the State fiscal year 2011-2012.

We anticipate that the per-member cost (at retirement) of the elimination of the early retirement reductions at 25 years of service instead of at 30 years of service will average approximately 110% of a member's final average salary. This cost will be borne by each employer electing the incentive over a five-year period commencing with a payment in the State fiscal year 2011-2012.

This estimate, dated April 30, 2010, and intended for use only during the 2010 Legislative Session, is Fiscal Note No. 2010-157 prepared by the Actuary for the New York State and Local Employees' Retirement System.

FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would provide a temporary retirement incentive for fiscal year 2010-2011. In Part A of the retirement incentive, employers who elect to participate would provide certain eligible employees a retirement incentive of one-twelfth of a year of additional service credit per year of accrued service credit up to a maximum of three additional years. To be eligible, a member must have attained age 50 or greater, with at least ten years of service. Members not subject to an early retirement reduction and less than age 55 at retirement will have their benefit reduced by five percent for each year their age precedes 55.

Part B of the retirement incentive would permit eligible Tier 2, 3 and 4 members of employers who elect to participate to retire without early retirement reductions upon attainment of at least age 55 with 25 years of service. Currently 30 years of service are required. In order to receive either the Part A or Part B benefit, an eligible member of an employer who has elected to participate must retire during the employer's designated open period. For Part A, such period shall be at least 30, but not more than 90 days in length, and for educational employers, shall not extend beyond August 31, 2010. For Part B, the open period for educational employers shall begin upon the later of June 1, 2010 or the date elected by the employer, and shall not extend beyond August 31, 2010. Members may not receive a benefit under both Part A and Part B, or Part A and the retirement incentive provided under Chapter 45 of the Laws of 2010. Employers participating in Part A or Part B (or both) would pay the cost of the retirement incentive over a period not to exceed five years, beginning in the state fiscal year ending March 31, 2012.

It is not possible to accurately forecast the total cost to the New York State Teachers' Retirement System employers electing to participate in this retirement incentive because the number of eligible members electing to retire under the incentive, their ages and the amount of service credited cannot be readily estimated. The Part A cost, measured as the increase in the present value of benefit per participating member, however, will range from 5% to more than 100% of final average

salary, averaging between 50% and 75% of final average salary, depending on the member's age, years of service, and tier at retirement. The Part B cost per participating member will range from 3% to more than 100% of final average salary, depending on the member's age, years of service, and tier at retirement. The potential number of members eligible to benefit under Part A is much greater than under Part B.

The source of this estimate is Fiscal Note 2010-54 dated May 18, 2010 prepared by the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2010 Legislative Session.

FISCAL NOTE: PROVISIONS OF PROPOSED LEGISLATION: With respect to certain New York City Retirement Systems ("NYCRS"), this proposed legislation would provide for a temporary Early Retirement Incentive Program ("ERI Program") to allow certain NYCRS members to elect immediate retirement with enhanced benefits. This proposed legislation consists of two components, each wholly contained within a part, identified as Part A and Part B.

* Part A: Additional Service Credit of 1/12 per year of service, to a maximum of three years, if at least age 50 with 10 or more years of service, or

* Part B: Unreduced Benefit on Account of Age, if at least age 55 with 25 or more years of service.

A NYCRS member eligible for Part B would be permitted to elect Part A (if eligible for Part A) but would not be permitted to combine the benefits of Part A and Part B.

In addition, to be eligible, a member of a NYCRS must be the employee of an employer participating in a NYCRS ("Obligor") who elects to participate in the ERI Program.

Additional requirements and details are set forth under the Terms of Early Retirement Incentive section that follows.

The Effective Date of the proposed legislation would be the date of enactment.

TERMS OF EARLY RETIREMENT INCENTIVE PROGRAM: Under the proposed legislation, with respect to the NYCRS, and ERI Program would be made available if elected by a participating employer, including New York City (the "City"), by enactment of a local law or resolution. Such local law or resolution would specify for employees the applicable "Open Period," anywhere from 30 to 90 days, during which time eligible NYCRS members would be permitted to elect and retire, but not beyond August 31, 2010 for educational employees and not beyond December 31, 2010 for all others.

The Mayor of the City may declare employees of the Community Colleges of the City University of New York ("CUNY") to be ineligible for Part A of the ERI Program. It is also the understanding of the Actuary that the Mayor may determine such employees to be ineligible for Part B.

This proposed legislation also provides that employers who elect Part A of the ERI Program should demonstrate certain compensation savings over the two-year period following the effective dates of retirement of those employees who participate in Part A of the ERI Program.

NYCRS RETIREMENT SYSTEMS IMPACTED: The proposed legislation would impact the following NYCRS:

- * New York City Employees' Retirement System ("NYCERS"),
- * New York City Teachers' Retirement System ("NYCTRS"), and
- * New York City Board of Education Retirement System ("BERS").

PART A

If an employer elects to participate in Part A of the ERI Program, then an employee must meet the following criteria in order to retire under the ERI:

Eligibility - Part A: A NYCRS member must be a member of NYCERS, NYCTRS or BERS and is required to:

1. Be in Active Service - paid on payroll, or
 - On leave of absence with pay, or
 - Approved leave of absence without pay but not more than 12 weeks prior to the "Open Period," or
 - A teacher on payroll as of February 1, 2010 which would include the period between the end of the June 2010 term and on or before August 31, 2010, and
2. Be in an Eligible Title.
 - Those positions otherwise identified for layoff,
 - Those positions that could be transferred or reassigned under Civil Service Law, and
3. Be eligible for Service Retirement if the ERI service credit is applied or have at least attained age 50 with 10 or more years of service, and
4. Be in Active Service between February 1, 2010 and the commencement date specified in the Open Period, and
5. File an application for Service Retirement that is effective during the Open Period, and
6. File written notification with the employer of the member on or before the 21st day prior to the end of the Open Period.

Benefits - Part A: For those NYCRS members who participate in Part A, the members would receive an ERI of:

- 1/12 of additional retirement service credit per year of pension service, up to a maximum of three years.

Such retirement service credit would be usable for both inclusion in the applicable benefit formula and for meeting eligibility requirements to retire.

Generally, there would be reductions to the retirement benefit if the eligible employee retired before a plan's normal retirement age.

In addition, for an eligible employee who participates in a retirement plan which provides for a retirement allowance equal to 50% of FAS upon the completion of 25 years without regard to age, the proposed legislation sets forth the reductions to the retirement allowance otherwise payable if the eligible employee has not accrued, excluding the additional credit granted under the proposed legislation, the minimum number of years needed to retire with such allowance.

However, the proposed legislation does not address the situation where an eligible employee is in a plan where 25 years of service is needed to retire with 55% of FAS.

It is the understanding of the Actuary that the same reductions described in the proposed legislation for plans providing 50% of FAS after 25 years of service would apply to plans providing 55% of FAS after 25 years of service.

Optional Retirement Program - Part A: For those NYCRS members who participate in an Optional Retirement Program (i.e., Internal Revenue Code ("IRC") Section 403(b) Plan or "403(b) Plan") as specified in Education Law Section 6251, there is a special Part A benefit.

A member of a 403(b) Plan would, if the member elected to retire under the Part A provisions, be entitled to an additional employer contribution equal to: $1/12 \times \text{years of service} \times 15\% \times \text{member's annual salary}$

rate as of March 1, 2010, such amount could not exceed 45% of such salary rate (i.e., no more than 36 years of service would be included).

PART B

If an employer elects to participate in Part B of the ERI Program, then the employees must meet the following criteria in order to retire under the ERI:

Eligibility - Part B: To be eligible for Part B, members must have attained age 55 and have completed 25 or more years of creditable service as of the effective date of retirement.

Benefits - Part B: For those NYCERS members who are eligible for Part B, such members would be entitled to receive the retirement allowance accrued under the plan in which the member participates based on the amount of credited service such member would have at retirement, but such retirement allowance would be payable without reduction for early commencement.

Note: If eligible under Part A, a NYCERS member eligible for Part B would be permitted to elect to receive the benefits under Part A in lieu of the benefits under Part B.

PART A AND PART B

Any additional benefits payable under Part A or Part B would be limited to the extent that the total benefit payable were to exceed the Internal Revenue Code ("IRC") Section 415 limits.

Note: Under Chapter 623 of the Laws of 2004, the NYCERS now have Excess Benefit Plans that permit benefits in excess of the IRC Section 415 limits but the ERI Program does not recognize the availability of these Excess Benefit Plans.

With respect to the Optional Retirement Program, for any additional employer contribution made under a 403(b) Plan, such additional employer contribution would not be permitted to exceed the IRC Section 415 limits. If it were to exceed those limits, then the portion in excess of the limit would either be contributed to the employee in a separate IRC Section 403(b) contract to the extent it can be contributed on a before-tax basis under the limit or paid to the employee over a 24-month period in three equal installments.

Note: It is also the understanding of the Actuary that Part A, Section 10 (i.e., IRC Section 415 limits) and Part A, Section 13 (i.e., provisions of RSSL Section 430) would be applicable to both Part A and Part B of the proposed legislation.

FINANCIAL IMPACT - OVERVIEW: If enacted into the law, the ultimate employer cost of this proposed legislation would be determined by the number of members of the NYCERS who participate in the ERI Program and the amount of additional benefits paid.

FINANCIAL IMPACT - ACTUARIAL PRESENT VALUES: Based on the census data and the actuarial assumptions and methods described herein, the enactment of this proposed legislation would increase the Actuarial Present Value of Benefits ("APVB") and increase employer contributions to NYCERS, NYCTRS and BERS based on the number of members who participate in the ERI Program and the amounts of benefits that are paid.

The following Table 1 presents, based on assumptions set forth herein by the Actuary, a Hypothetical Scenario of the financial impact to provide the ERI Program for the NYCERS:

Table 1

Hypothetical Scenario of Financial Impact to Provide an
Early Retirement Incentive for Certain NYCERS Members*
(\$ Millions)

Retirement	Additional	Estimated Additional
------------	------------	----------------------

System	APVB**	Employer Contributions#
NYCERS	\$ 76.8	\$20.0
NYCTRS	34.2	8.9
BERS	4.9	1.3
	-----	-----
TOTAL	\$115.9	\$30.2

* Based on Hypothetical Scenario developed by the Actuary assuming employers were to elect to participate in the ERI Program and members were to elect to participate as set forth in Actuarial Assumptions and Methods section of this Fiscal Note.

** Estimated amounts as of June 30, 2010 based on the actuarial assumptions and methods described herein.

The amounts shown would be payable annually over five Fiscal Years beginning Fiscal Year 2012.

FINANCIAL IMPACT - EMPLOYER CONTRIBUTIONS: Based on the census data and the actuarial assumptions and methods described herein as a Hypothetical Scenario, the enactment of this proposed legislation would increase annual employer contributions by approximately \$20.0 million for NYCERS, \$8.9 million for NYCTRS and \$1.3 million for BERS, or a total of \$30.2 million per year for the five fiscal years beginning Fiscal Year 2012.

FINANCIAL IMPACT - TIMING OF EMPLOYER CONTRIBUTIONS: The increased employer contributions to NYCERS, NYCTRS and BERS attributable to this proposed legislation would be paid over a period of not more than five years commencing with the fiscal year beginning during the New York State fiscal year ending March 31, 2012 (e.g. as applicable to most participating employers of the NYCERS, beginning with the fiscal year ending June 30, 2012).

FINANCIAL IMPACT - OTHER: The Actuary is expecting to propose revised actuarial assumptions and methods to be effective on or after Fiscal Year 2010.

The estimated financial impact of proposed legislation incorporating those revised actuarial assumptions and methods is expected to differ, possibly significantly, from the financial impact computed using the actuarial assumptions and methods continued from Fiscal Year 2010.

Further, the near certainty of payment of benefits from the NYCERS (due to the substantive level of funding and New York State Constitutional Protection of benefits), suggests that it may be appropriate to also consider a more economic-based, market-related estimate of the value of those benefits (i.e., a Financial Value estimate). Such value of benefits would likely be based on an expected pattern of benefits payments determined using discount rates consistent with those derived from default-free securities of similar duration.

Under current economic conditions, the APVB, employer cost and employer contributions determined under Financial Value concepts would be greater than those shown herein.

OTHER COSTS: Most significantly, not measured herein is any potential reduction in employer payrolls attributable to members who retire under the ERI Program.

Also not measured in this Fiscal Note is the impact of this proposed legislation on administrative costs of NYCERS, NYCTRS and BERS and their participating employers.

In addition, and potentially significant, no account has been taken of the impact of the expected increase in costs attributable to Other Post Employment Benefits ("OPEB").

CENSUS DATA: The census data used for the estimates of additional APVB and employer contributions presented herein was the active data used in the June 30, 2009 (Lag) actuarial valuations of NYCERS, NYCTRS and BERS used to determine Preliminary Fiscal Year 2011 employer contributions.

Active members as of June 30, 2009 were grouped by individual ages and services for the members who could potentially meet the age and service requirements for the ERI Program and are shown in Table 2.

Note: This slightly overstates the number of potentially eligible members as some members may have left employment after June 30, 2009.

ERI Program as of June 30, 2010*

NYCTRS	32,752	2,788.9	382	\$38.4
BERS	6,160	270.4	232	\$17.4
TOTAL	100,594	\$7,338.8	4,276	\$297.7

* Assumes NYCERS members as of June 30, 2009 remain in active service through June 30, 2010 and then meet the age and service requirements for the ERI Program as of June 30, 2010.

The following Table 3 presents the estimated number and salaries for those potential members assumed to participate in the ERI Program under the Hypothetical Scenario.

ACTUARIAL ASSUMPTIONS AND METHODS: The additional APVB and employer contributions presented herein have been calculated, with certain additional Hypothetical Scenario assumptions, based on the actuarial assumptions and methods used for NYCERS, NYCTRS and BERS in the June 30, 2009 (Lag) actuarial valuations used to determine Preliminary Fiscal Year 2011 employer contributions to the NYCERS.

These actuarial assumptions were adopted by the Boards of Trustees of the NYCERS during Fiscal Year 2006 and are part of an overall package of actuarial assumptions and methods used to determine employer contributions to the NYCERS that includes an Actuarial Interest Rate ("AIR") assumption of 8.0% per annum.

Table 3

Active Members Assumed to Participate in ERI Program under
Hypothetical Scenario*

Retirement System	ERI-Part A		ERI-Part B	
	Number	Salaries	Number	Salaries
NYCERS	996	\$ 71.1	732	\$48.4
NYCTRS	701	66.2	76	7.7
BERS	54	3.6	46	3.5
Total	1,751	\$140.9	854	\$59.6

* Based on assumptions that 20% of all potentially eligible ERI - Part B members, and that of the 25% of ERI - Part A members who are assumed to be targeted employees, 20% would elect to participate in the ERI Program.

For purposes of determining those active members who would be potentially eligible (and likely to consider Part B), it was assumed that those active members who meet the Part B eligibility conditions would prefer this Part B versus Part A if they were under attained age 61 and were not otherwise eligible to retire immediately with an unreduced benefit (excluding teacher members with 30 or more years of credited

service). The balance of the potentially eligible NYCERS members were assumed to potentially participate in Part A.

For the purposes of the Hypothetical Scenario, the following additional assumptions were used to determine the additional APVB and annual employer contributions:

* Part A

- ** Obligators to NYCERS choose to participate in Part A, and
- ** Obligators target 25% of all Eligible Employees in Eligible Titles ("Targeted Employees"), and
- ** Only Targeted Employees with the following characteristics elect to take ERI ("Part A Eligible Employees"):
 - *** Age 55 and greater
 - *** 20 or more years of service, and
- ** 20% of Part A Eligible Employees elect to take the ERI

* Part B

- ** All Obligators to NYCERS choose to participate in Part B, and
- ** 20% of Part B Eligible Employees elect to take the ERI

Employer contributions have been developed under the terms of the proposed legislation that require that the APVB of such ERI be spread over five years in the fiscal year beginning in the New York State fiscal year ending March 31, 2012.
