Introduced by Sen. SEWARD -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT to amend the transportation law, the state finance law, the tax law and the public authorities law, in relation to programs that promote and protect the safety of truck drivers in New York state

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. This act shall be known and may be cited as "Jason's Law".
2 S 2. Legislative intent. The legislature finds and declares that there
3 is a great need to provide truck drivers with safe places to rest while
4 waiting for pending appointments or to comply with federal hours of
5 service regulations. Federal law requires motor carrier operators to
6 rest for a period of ten hours after driving for eleven consecutive
7 hours. Federal law further prohibits motor carrier operators from driv-
8 ing more than sixty hours over a seven day period. These requirements
9 are only exacerbating the shortage of safe parking areas for motor
10 carriers, forcing many drivers to park in desolate, poorly lit areas
11 with little or no security. Many shippers and receivers of freight do
12 not allow truckers into their facilities until just before their sched-
13 uled appointment time and insist that they leave promptly once delivery
14 is complete. It is imperative that the legislature address the current
15 shortage of long-term parking for commercial motor vehicles to ensure
16 the personal safety and security of those who transport goods and
17 provide essential services for the people of the state of New York.
18 S 3. The transportation law is amended by adding a new section 140-a
19 to read as follows:
20 S 140-A. MOTOR CARRIER SAFETY AND SECURITY REVOLVING LOAN PROGRAM. 1.
21 THE COMMISSIONER SHALL ESTABLISH AND MAINTAIN A MOTOR CARRIER SAFETY AND
22 SECURITY REVOLVING LOAN PROGRAM TO PROVIDE LOANS TO ELIGIBLE APPLICANTS
23 TO MAKE SAFETY AND SECURITY UPGRADES ON THEIR FACILITIES FOR THE
24 PURPOSES DESIGNATED IN THIS SECTION. SUCH PROGRAM SHALL PROVIDE INTEREST
25 FREE LOANS TO ELIGIBLE APPLICANTS FOR SUCH SAFETY AND SECURITY IMPROVE-
26 MENT PROJECTS AS THE COMMISSIONER SHALL DEEM TO BE ELIGIBLE PURSUANT TO
27 THIS SECTION.
