S 14. Section 16-113 of the election law, as added by chapter 181 of the laws of 2005, is amended to read as follows:

S 16-113. [Audit of] PROCEEDING WITH RESPECT TO voter verifiable records. The supreme court, by a justice within the judicial district, or the county court, by a county judge within his or her county, by any candidate or his or her agent, may direct a manual audit of the voter verifiable audit records applicable to any candidate running for office within such judicial district or county where (1) the uniform statewide standard promulgated by regulation by the state board of elections pursuant to subdivision three of section 9-211 of this chapter with respect to discrepancies between manual audit tallies and voting machines or systems tallies requires a further voter verifiable record audit of additional voting machines or systems or all voting machines or systems applicable to such election, or (2) where evidence presented to the court otherwise indicates that there is a likelihood of a material discrepancy between such manual audit tally and such voting machine or system tally, OR A DISCREPANCY AS DEFINED IN SUBDIVISION THREE OF SECTION 9-208 OF THIS CHAPTER, which creates a substantial possibility that the winner of the election as reflected in the voting machine or system tally could change if a voter verifiable record audit of additional voting machines or systems or of all voting machines or systems applicable to such election were conducted.

S 15. This act shall take effect immediately, provided, however, that the amendments to paragraph (a) of subdivision 2 of section 9-102 of the election law made by section three of this act shall be subject to the expiration and reversion of such paragraph pursuant to section 3 of chapter 92 of the laws of 2001, as amended, when upon such date the provisions of section four of this act shall take effect.
