AN ACT to amend the executive law, in relation to enacting the "Veterans
Mental Health and Chemical Dependency Act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and intent. The legislature recognizes
2 that throughout their service, many of the military personnel from New
3 York State experienced trauma during active duty, placing many of them
4 in high risk categories for triggering substance abuse or mental health
5 issues. More often than not, mental illness and substance abuse present
6 themselves simultaneously or as a co-occurring disorder. The conse-
7 quences of co-occurring disorders, particularly when untreated or poorly
8 treated, are severe. These disorders increase the cost of healthcare due
9 to the frequent use of inpatient treatment, the ability to adhere to
10 such treatment, the risk of suicide, crime victimization, homelessness,
11 and incarceration.

12 The legislature further finds that the unemployment rate for young
13 veterans of the Iraq and Afghanistan wars was at 21.1 percent, reflect-
14 ing another tough obstacle that combat veterans face as they make the
15 transition home from war.

16 The legislature further finds that New York State has recognized its
17 responsibility for care for our veterans and their families, offering an
18 array of economic and health benefits. Now we are called to ensure that
19 the returning combat veterans can obtain the benefits that they are
20 entitled to from the various state agencies which offer help to the
21 returning servicemen and women to make the transition from military
22 personnel to veteran.

23 S 2. This act shall be known as the "Veterans Mental Health and Chemi-
24 cal Dependency Act."

25 S 3. Section 352 of the executive law is amended by adding two new
26 subdivisions 6 and 7 to read as follows:

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets
[] is old law to be omitted.
