AN ACT to dedicate the Jerome Park Reservoir tract in the Bronx as parkland

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent. Jerome Park has been used for numerous
2 park purposes over the years and is intended to have additional uses in
3 the future. Jerome Park was formerly used as a wildlife sanctuary in
4 the Harris Park Annex bordering on Goulden Avenue north of Gatehouse
5 Five at the Reservoir and directly across the street from the Bronx High
6 School of Science. This area is the future site of an outdoor urban
7 ecological study area, an area dedicated to community and school gardens
8 and ecology experiments such as composting, wind and rain precipitation
9 measurement, and seed and cutting propagation. It will be accompanied
10 by tables and benches for outdoor eating and classroom and lab instruction
11 sessions. The Fort Independence Park, part of Jerome Park in the
12 northwest side, is presently used, and will continue to be used, as a
13 playground, basketball and handball courts, running track, and an
14 archeological-geological mound. The perimeter of the Jerome Park Reservoir
15 will be the future site of a path for the purposes of walking and
16 jogging.

17 S 2. Notwithstanding any inconsistent provision of law, that tract of
18 land known as Jerome Park Reservoir, more particularly described in
19 section three of this act, shall be dedicated as parkland of the city of
20 New York.

21 S 3. The land dedicated as parkland by section two of this act is more
22 particularly described as follows:

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.
