Introduced by COMMITTEE ON RULES -- (at request of M. of A. Ramos, Skartados) -- read once and referred to the Committee on Judiciary -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the judiciary law, in relation to establishing gang courts; and providing for the repeal of such provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Findings. The legislature hereby finds and declares that
2 the growth of criminal gang activities have created a public safety
3 crisis and social disorder in many communities across our state. To this
4 point, our system of justice has failed to successfully deter the spread
5 of this criminality. Whether it is the distribution and sale of
6 controlled substances, street crime, gun violence, prostitution or
7 simply the climate of fear, intimidation, and disorder that poison our
8 neighborhoods, many afflicted localities appear to be under siege. To
9 address this problem, the state should be flexible and seek integrated
10 ways of employing the resources of our judicial and criminal justice
11 system and other state and local entities.

12 Based on the foregoing findings the legislature hereby declares that
13 the New York unified court system should be empowered to establish a
14 gang court pilot program within available appropriations, to help
15 address these broad based issues. The legislature contemplates that the
16 program authorized in this act may consist of two special gang courts,
17 one in the county of Orange and one in the county of Suffolk, to hear
18 and determine gang related criminal cases, properly venued in compliance
19 with the criminal procedure law, from within each respective county,
20 commencing no later than January first, two thousand eleven and continuing,
21 at least, until January first, two thousand sixteen.

22 The legislature declares that the resources necessary for these
23 special gang parts of the courts of Orange county and the courts of
24 Suffolk county can be made available only through a combination of
25 federal funds from the law enforcement assistance administration of the
