## IN ASSEMBLY

January 14, 2009

Introduced by M. of A. CALHOUN -- Multi-Sponsored by -- M. of A. CROUCH -- read once and referred to the Committee on Judiciary

AN ACT to amend the civil practice law and rules, in relation to setting certain limits on noneconomic damage awards for personal injury and wrongful death actions

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative intent. The legislature of the state of New York finds and declares that noneconomic damage awards for personal injury and wrongful death are often arbitrary and bear little relationship to the severity of the injury for which compensation is sought. The purpose of this act is to set certain limitations on noneconomic damage awards for personal injury and wrongful death actions. These limits would not apply in cases where gross negligence is found by a court or jury.

S 2. The civil practice law and rules is amended by adding a new article 50-C to read as follows:
