I N A S S E M B L Y

January 15, 2009

Introduced by M. of A. McENENY, GALEF, JOHN, ENGLEBRIGHT, CLARK -- read
once and referred to the Committee on Education

AN ACT to amend the education law, in relation to state assistance to
school districts for each school age child receiving special education
programs and services

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and purpose. The legislature finds
2 that the costs to school districts and, indirectly, to real property tax
3 payers for providing special education programs and services is increas-
4 ingly a burden making the essential educational mission more difficult
5 to carry out. The legislature further finds that special education is a
6 health based service and should more appropriately be borne by the state
7 government. Therefore, it is the purpose of this act to phase-in over
8 five years the assumption by the state of the costs to school districts
9 for each child receiving special education programs and services and to
10 provide that school property taxes be reduced accordingly.

11 S 2. Section 3602 of the education law is amended by adding a new
12 subdivision 25 to read as follows:
