REASONABLE, AS DETERMINED BY THE LEGISLATURE, TO OFFSET COSTS ATTRIBUTABLE TO THE CONDUCT OF CASINO GAMING, shall hereafter be authorized or allowed within this state; and the legislature shall pass appropriate laws to prevent offenses against any of the provisions of this section.
2. Notwithstanding the foregoing provisions of this section, any city, town or village within the state may by an approving vote of the majority of the qualified electors in such municipality voting on a proposition therefor submitted at a general or special election authorize, subject to state legislative supervision and control, the conduct of one or both of the following categories of games of chance commonly known as: (a) bingo or lotto, in which prizes are awarded on the basis of designated numbers or symbols on a card conforming to numbers or symbols selected at random; (b) games in which prizes are awarded on the basis of a winning number or numbers, color or colors, or symbol or symbols determined by chance from among those previously selected or played, whether determined as the result of the spinning of a wheel, a drawing or otherwise by chance. If authorized, such games shall be subject to the following restrictions, among others which may be prescribed by the legislature: (1) only bona fide religious, charitable or non-profit organizations of veterans, volunteer firefighter and similar non-profit organizations shall be permitted to conduct such games; (2) the entire net proceeds of any game shall be exclusively devoted to the lawful purposes of such organizations; (3) no person except a bona fide member of any such organization shall participate in the management or operation of such game; and (4) no person shall receive any remuneration for participating in the management or operation of any such game. THE AMOUNTS TO BE OFFERED AS PRIZES FOR SUCH GAMES SHALL BE SUBJECT TO THE APPROVAL OF THE LEGISLATURE WHICH FROM TIME TO TIME SHALL REVISE PRIZE LEVELS AS IT DETERMINES NECESSARY TO KEEP PRIZE LEVELS COMPETITIVE WITH THOSE OFFERED AT COMPARABLE VENUES. Unless otherwise provided by law, no single prize shall exceed two hundred fifty dollars, nor shall any series of prizes on one occasion aggregate more than one thousand dollars. The legislature shall pass appropriate laws to effectuate the purposes of this subdivision, ensure that such games are rigidly regulated to prevent commercialized gambling, prevent participation by criminal and other undesirable elements and the diversion of funds from the purposes authorized hereunder and establish a method by which a municipality which has authorized such games may rescind or revoke such authorization. Unless permitted by the legislature, no municipality shall have the power to pass local laws or ordinances relating to such games. Nothing in this section shall prevent the legislature from passing laws more restrictive than any of the provisions of this section.

S 2. Resolved (if the Senate concur), That the foregoing amendment be referred to the first regular legislative session convening after the next succeeding general election of members of the assembly, and, in conformity with section 1 of article 19 of the constitution, be published for 3 months previous to the time of such election.
