7 housing and community renewal, on a form which the commissioner shall

If the commissioner finds that the owner has knowingly filed a false certification, it shall, in addition to abating the rent, assess the owner with the reasonable costs of the proceeding, including reasonable attorneys' fees, and impose a penalty not in excess of two hundred fifty dollars for each false certification.

The amount of the reduction in rent ordered by the state division of housing and community renewal under this [subdivision] SECTION shall be reduced by any credit, abatement or offset in rent which the tenant has received pursuant to section two hundred thirty-five-b of the real property law, that relates to one or more conditions covered by such order.
