51 of subdivision 5 as amended by chapter 339 of the laws of 2004, are
52 amended to read as follows:

53 3. (a) Each entity subject to the provisions of this article, within
54 five business days of the receipt of a written request for a record
55 reasonably described, shall make such record available to the person
56 requesting it, deny such request in writing or furnish a written

1 acknowledgement of the receipt of such request and a statement of the
2 approximate date, which shall be reasonable under the circumstances of
3 the request, when such request will be granted or denied, including,
4 where appropriate, a statement that access to the record will be deter-
5 mined in accordance with subdivision five of this section. An [agency]
6 ENTITY shall not deny a request on the basis that the request is volumi-
7 nous or that locating or reviewing the requested records or providing
8 the requested copies is burdensome because the [agency] ENTITY lacks
9 sufficient staffing or on any other basis if the [agency] ENTITY may
10 engage an outside professional service to provide copying, programming
11 or other services required to provide the copy, the costs of which the
12 [agency] ENTITY may recover pursuant to paragraph (c) of subdivision one
13 of section eighty-seven of this article. An [agency] ENTITY may require
14 a person requesting lists of names and addresses to provide a written
15 certification that such person will not use such lists of names and
16 addresses for solicitation or fund-raising purposes and will not sell,
17 give or otherwise make available such lists of names and addresses to
18 any other person for the purpose of allowing that person to use such
19 lists of names and addresses for solicitation or fund-raising purposes.
20 If an [agency] ENTITY determines to grant a request in whole or in part,
21 and if circumstances prevent disclosure to the person requesting the
22 record or records within twenty business days from the date of the
23 acknowledgement of the receipt of the request, the [agency] ENTITY shall
24 state, in writing, both the reason for the inability to grant the
25 request within twenty business days and a date certain within a reason-
26 able period, depending on the circumstances, when the request will be
27 granted in whole or in part. Upon payment of, or offer to pay, the fee
28 prescribed therefor, the entity shall provide a copy of such record and
29 certify to the correctness of such copy if so requested, or as the case
30 may be, shall certify that it does not have possession of such record or
31 that such record cannot be found after diligent search. Nothing in this
32 article shall be construed to require any entity to prepare any record
33 not possessed or maintained by such entity except the records specified
34 in subdivision three of section eighty-seven [and subdivision three of
35 section eighty-eight] of this article. When an [agency] ENTITY has the
36 ability to retrieve or extract a record or data maintained in a computer
37 storage system with reasonable effort, it shall be required to do so.
38 When doing so requires less employee time than engaging in manual
39 retrieval or redactions from non-electronic records, the [agency] ENTITY
40 shall be required to retrieve or extract such record or data electron-
41 ically. Any programming necessary to retrieve a record maintained in a
42 computer storage system and to transfer that record to the medium
43 requested by a person or to allow the transferred record to be read or
44 printed shall not be deemed to be the preparation or creation of a new
45 record.

46 (b) All entities shall, provided such entity has reasonable means
47 available, accept requests for records submitted in the form of elec-
48 tronic mail and shall respond to such requests by electronic mail, using
49 forms, to the extent practicable, consistent with the form or forms
50 developed by the committee on open government pursuant to subdivision
51 one of this section and provided that the written requests do not seek a
52 response in some other form.

53 4. (a) Except as provided in subdivision five of this section, any
54 person denied access to a record may within thirty days appeal in writ-
55 ing such denial to the head, chief executive or governing body of the
56 entity, or the person therefor designated by such head, chief executive,

1 or governing body, who shall within ten business days of the receipt of
2 such appeal fully explain in writing to the person requesting the record
3 the reasons for further denial, or provide access to the record sought.
4 In addition, each [agency] ENTITY shall immediately forward to the
5 committee on open government a copy of such appeal when received by [the
6 agency] SUCH ENTITY and the ensuing determination thereon. Failure by an
7 [agency] ENTITY to conform to the provisions of subdivision three of
8 this section shall constitute a denial.

9 (b) Except as provided in subdivision five of this section, a person
10 denied access to a record in an appeal determination under the
11 provisions of paragraph (a) of this subdivision may bring a proceeding
12 for review of such denial pursuant to article seventy-eight of the civil
13 practice law and rules. In the event that access to any record is denied
14 pursuant to the provisions of subdivision two of section eighty-seven of
15 this article, the [agency] ENTITY involved shall have the burden of
16 proving that such record falls within the provisions of such subdivision
17 two. Failure by an [agency] ENTITY to conform to the provisions of para-
18 graph (a) of this subdivision shall constitute a denial.

19 (c) The court in such a proceeding may assess, against such [agency]
20 ENTITY involved, reasonable attorney's fees and other litigation costs
21 reasonably incurred by such person in any case under the provisions of
22 this section in which such person has substantially prevailed, when:

23 i. the [agency] ENTITY had no reasonable basis for denying access; or
24 ii. the [agency] ENTITY failed to respond to a request or appeal with-
25 in the statutory time.

26 5. (a) (1) A person acting pursuant to law or regulation who, subse-
27 quent to the effective date of this subdivision, submits any information
28 to any state agency OR HOUSE OF THE LEGISLATURE may, at the time of
29 submission, request that the agency OR HOUSE OF THE LEGISLATURE except
30 such information from disclosure under paragraph (d) of subdivision two
31 of section eighty-seven of this article. Where the request itself
32 contains information which if disclosed would defeat the purpose for
33 which the exception is sought, such information shall also be excepted
34 from disclosure.

35 (1-a) A person or entity who submits or otherwise makes available any
36 records to any agency OR HOUSE OF THE LEGISLATURE, may, at any time,
37 identify those records or portions thereof that may contain critical
38 infrastructure information, and request that the agency OR HOUSE OF THE
39 LEGISLATURE that maintains such records except such information from
40 disclosure under subdivision two of section eighty-seven of this arti-
41 cle. Where the request itself contains information which if disclosed
42 would defeat the purpose for which the exception is sought, such infor-
43 mation shall also be excepted from disclosure.

44 (2) The request for an exception shall be in writing and state the
45 reasons why the information should be excepted from disclosure.

46 (3) Information submitted as provided in subparagraphs one and one-a
47 of this paragraph shall be excepted from disclosure and be maintained
48 apart by the [agency] ENTITY from all other records until fifteen days
49 after the entitlement to such exception has been finally determined or
50 such further time as ordered by a court of competent jurisdiction.

51 (b) On the initiative of the [agency] ENTITY at any time, or upon the
52 request of any person for a record excepted from disclosure pursuant to
53 this subdivision, the agency shall:

54 (1) inform the person who requested the exception of the [agency's]
55 ENTITY'S intention to determine whether such exception should be granted
56 or continued;

(2) permit the person who requested the exception, within ten business days of receipt of notification from the [agency] ENTITY, to submit a written statement of the necessity for the granting or continuation of such exception;

(3) within seven business days of receipt of such written statement, or within seven business days of the expiration of the period prescribed for submission of such statement, issue a written determination granting, continuing or terminating such exception and stating the reasons therefor; copies of such determination shall be served upon the person, if any, requesting the record, the person who requested the exception, and the committee on public access to records.

(c) A denial of an exception from disclosure under paragraph (b) of this subdivision may be appealed by the person submitting the information and a denial of access to the record may be appealed by the person requesting the record in accordance with this subdivision:

(1) Within seven business days of receipt of written notice denying the request, the person may file a written appeal from the determination of the [agency] ENTITY with the head of the [agency] ENTITY, the chief executive officer or governing body or their designated representatives.

(2) The appeal shall be determined within ten business days of the receipt of the appeal. Written notice of the determination shall be served upon the person, if any, requesting the record, the person who requested the exception and the committee on public access to records. The notice shall contain a statement of the reasons for the determination.

(d) A proceeding to review an adverse determination pursuant to paragraph (c) of this subdivision may be commenced pursuant to article seventy-eight of the civil practice law and rules. Such proceeding, when brought by a person seeking an exception from disclosure pursuant to this subdivision, must be commenced within fifteen days of the service of the written notice containing the adverse determination provided for in subparagraph two of paragraph (c) of this subdivision.

(e) The person requesting an exception from disclosure pursuant to this subdivision shall in all proceedings have the burden of proving entitlement to the exception.

(f) Where the [agency] ENTITY denies access to a record pursuant to paragraph (d) of subdivision two of section eighty-seven of this article, the [agency] ENTITY shall have the burden of proving that the record falls within the provisions of such exception.

(g) Nothing in this subdivision shall be construed to deny any person access, pursuant to the remaining provisions of this article, to any record or part excepted from disclosure upon the express written consent of the person who had requested the exception.

(h) As used in this subdivision the term ["agency" or "state agency"] ENTITY means [only] EITHER HOUSE OF THE STATE LEGISLATURE, a state department, board, bureau, division, council or office and any public corporation the majority of whose members are appointed by the governor.
