AN ACT authorizing and directing the city university of New York to allocate certain moneys for the police cadet corps program

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Notwithstanding any other provision of law, the city university of New York is authorized and directed to allocate the sum of two million dollars ($2,000,000) out of any moneys otherwise appropriated to use for its police cadet corps program for the purposes of recruiting an additional one thousand cadets for such program for the 2009-2010 school year. The city university of New York police cadet corps program is designed to prepare candidates for the complexities of modern police work in an ethnically diverse community. The program combines college education, specialized coursework in law enforcement, skill-development training and supervised public safety internships. Through the extensive use of supervised internships, the program would provide the police department with an excellent opportunity to assess the capabilities and judge the character of candidates for police service.

S 2. This act shall take effect April 1, 2009.
