2009-2010 Regular Sessions

I N A S S E M B L Y

February 10, 2009

Introduced by M. of A. CONTE, ALFANO, BURLING, McDONOUGH, QUINN, RAIA, SALADINO, WALKER -- Multi-Sponsored by -- M. of A. CROUCH, FIELDS, MAYERSOHN, SEMINERIO, THIELE, TOWNSEND -- read once and referred to the Committee on Insurance

AN ACT to amend the insurance law, in relation to coverage for immunization against the human papilloma virus

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Item (iii) of subparagraph (B) of paragraph 17 of subsection (i) of section 3216 of the insurance law, as added by chapter 728 of the laws of 1993, is amended to read as follows:

(iii) necessary immunizations as determined by the superintendent in consultation with the commissioner of health consisting of at least adequate dosages of vaccine against diphtheria, pertussis, tetanus, polio, HUMAN PAPILLOMA VIRUS, measles, rubella, mumps, haemophilus influenzae type b and hepatitis b which meet the standards approved by the United States public health service for such biological products.

S 2. Item (iii) of subparagraph (B) of paragraph 8 of subsection (l) of section 3221 of the insurance law, as amended by chapter 728 of the laws of 1993, is amended to read as follows:

(iii) necessary immunizations as determined by the superintendent in consultation with the commissioner of health consisting of at least adequate dosages of vaccine against diphtheria, pertussis, tetanus, polio, HUMAN PAPILLOMA VIRUS, measles, rubella, mumps, haemophilus influenzae type b and hepatitis b which meet the standards approved by the United States public health service for such biological products.

S 3. Subparagraph (iii) of paragraph 2 of subsection (j) of section 4303 of the insurance law, as amended by chapter 728 of the laws of 1993, is amended to read as follows:

(iii) necessary immunizations as determined by the superintendent in consultation with the commissioner of health consisting of at least

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets [ ] is old law to be omitted.

LBD04297-01-9

adequate dosages of vaccine against diphtheria, pertussis, tetanus, polio, HUMAN PAPILLOMA VIRUS, measles, rubella, mumps, haemophilus influenzae type b and hepatitis b which meet the standards approved by the United States public health service for such biological products. Such coverage shall not be subject to annual deductibles and/or coinsurance. Such coverage shall not restrict or eliminate existing coverage provided by the contract.

S 4. This act shall take effect on the first of January next succeeding the date on which it shall have become a law, and shall apply to all contracts of insurance entered into, renewed or amended on and after such effective date.
