S 9. This act shall take effect immediately and shall apply only to members who become deceased on or after the effective date of this act.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend the Retirement and Social Security Law and the general municipal law in relation to accidental death benefits for members of certain public retirement systems in New York State. It would grant accidental death benefits to domestic partners and dependent children of domestic partners.

If this bill is enacted, insofar as it affects the New York State and Local Employees Retirement System (ERS) and the New York State and Local Police and Fire Retirement System (PFRS), it could lead to more deaths being classified as "accidental", since it expands the definition of beneficiaries eligible for accidental deaths. For each death newly classified as accidental due to this bill, the cost would depend on the age, service, salary and plan of the affected member. It is estimated that there could be per person one-time costs of approximately three (3) times salary for members in the ERS, and twelve (12) times salary for members in the PFRS. These costs would be borne by the State of New York and all the participating employers in the ERS and the PFRS.

This estimate, dated March 3, 2010, and intended for use only during the 2010 Legislative Session, is Fiscal Note No. 2010-118 prepared by the Actuary for the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System.
