once and referred to the Committee on Higher Education

AN ACT to amend the education law, in relation to authorizing enrollment
grants to increase the participation and retention in medical educa-
tion programs of New York state residents from groups historically
underrepresented and making an appropriation therefor

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and purpose. The legislature hereby
2 finds and declares that individuals from certain minority groups, prima-
3 rily Blacks, Hispanics and Native Americans, have been historically
4 underrepresented in medical education programs and, as a consequence, in
5 the medical profession. A vast human resource remains largely untapped
6 at a time when medical services in urban areas are inadequate and the
7 urban poor continue to be underserved.
8 The medical schools of the state have not been successful in attract-
9 ing the available qualified minority candidates, and in some instances
10 have fallen below national averages and comparable states in enrollment
11 of minorities. Medical schools have repeatedly cited the lack of
12 adequate resources as being a major obstacle in their attempts to
13 attract and retain larger numbers of qualified minority students.
14 The legislature therefore declares that a modified program of capita-
15 tion assistance is needed for the purpose of expanding opportunities to
16 underrepresented minority students to participate in medical education
17 programs leading to licensure and a career in the medical profession.
18 S 2. The education law is amended by adding a new section 6402-a to
19 read as follows:
20 S 6402-A. MINORITY ENROLLMENT GRANTS TO MEDICAL SCHOOLS. 1. THE
21 COMMISSIONER SHALL ANNUALLY APPORTION TO EACH NON-PUBLIC INSTITUTION OF
22 HIGHER EDUCATION OFFERING AN APPROVED PROGRAM IN MEDICINE AN ADDITIONAL
