Introduced by M. of A. SCOZZAFAVA -- read once and referred to the
Committee on Energy

AN ACT authorizing the establishment of solar or wind or farm waste
energy system tax stabilization funds

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and declaration. The legislature here-
2 by finds private development and ownership of solar or wind or farm
3 waste energy systems will generate significant, new tax revenue for the
4 municipalities where a solar or wind or farm waste energy system is
5 located. Therefore, in order to provide tax stability to the involved
6 municipalities, the purpose of this legislation is to empower such muni-
7 cipalities to create solar or wind or farm waste energy system tax
8 stabilization reserve funds.
9 S 2. (1) Any municipal corporation in which a solar or wind or farm
10 waste energy system is located may create a solar or wind or farm waste
11 energy system tax stabilization reserve fund.

5 defined in paragraph 5 of section 2.00 of the local finance law.

11 (4) There may be paid into such fund such amounts as may be provided
12 by budgetary appropriation.

13 (5) The moneys in such fund shall be deposited and secured in the
14 manner provided by section 10 of the general municipal law. The finance
15 board, or the chief fiscal officer of such municipal corporation, if the

27 officer, within 60 days of the end of each fiscal year, shall furnish to
28 the finance board and the state comptroller a detailed report of the

30 which shall include a statement of receipts and disbursements, and a
31 statement of the balance of the fund as of the last day of such preced-
32 ing fiscal year and such other dates as may be specified by the finance
33 board.

34 (7) An expenditure may be made from this fund:

53 than as provided in this act.

54 Any member of the finance board who willfully and knowingly violates
55 the provision of this subdivision shall be guilty of a misdemeanor.

1 (9) If, after the establishment of such fund, the municipal corpo-
2 ration determines that such fund is no longer needed, the moneys remain-
3 ing in such fund may be transferred to any other reserve fund authorized
4 by section 3651 of the education law or the general fund of the municipi-
5 pal corporation that is comprised of moneys which were raised on the
6 same tax base as the moneys in the reserve fund established under this
7 section. Prior to discontinuance of such fund, the chief fiscal officer
