42 provided pursuant to subdivisions a and b of this section.

43 (2) Such monthly report shall be in a format prescribed by the commis-

45 return the report to the chief fiscal officer and the superintendent of

10 Hamburg central school district, the state division of the budget, the
11 office of the state comptroller, the commissioner of education, the
12 chair of the assembly ways and means committee and the chair of the
13 senate finance committee.

14 S 2. This act shall take effect immediately.

FISCAL NOTE.--This bill would authorize the Hamburg central school district to receive certain apportionments of state aid on an accelerated basis. Specifically, this bill would make the Hamburg central school district eligible to receive advances in lottery aid apportionments, and other apportionments if necessary, in school years 2009-2010 through 2037-2038 equal to the product of \$3.1 million and the quotient of the positive difference of 30 minus the number of school years elapsed since 2009-2010 divided by 30. Such funds would be required to be used by the district for its services and expenses, to support its educational programs, and to pay for any liability it incurs in carrying out its functions and responsibilities prescribed under the education law.

Since the bill provides for an advance of state aid payable to the school district and does not increase the amount of aid payable to the school district, it would not result in any additional cost to the state.

This fiscal note was prepared by the New York state department of education and is intended for use only during the 2009 legislative session.
