FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend the Retirement and Social Security Law as it
pertains to employer bills of the New York State and Local Employees'
Retirement System (ERS) and the New York State and Local Police and Fire
Retirement System (PFRS).

This bill puts in place a 6 year program that allows ERS and PFRS
employers, if they choose to participate, to amortize a portion of their
bill with their respective Retirement System when employer contributions
rates rise above certain levels. In ERS these levels are 9.5% for
2010/11 bills, 10.5% for 2011/12 bills, 11.5% for 2012/13 bills, 12.5%
for 2013/14 bills, 13.5% for 2014/15 bills, and 14.5% for 2015/16 bills.
In PFRS these levels are 17.5% for 2010/11 bills, 18.5% for 2011/12
bills, 19.5% for 2012/13 bills, 20.5% for 2013/14 bills, 21.5% for
2014/15 bills, and 22.5% for 2015/16 bills. The amortization is over a
period of 10 years at a rate of interest determined by the Comptroller
(which approximates a market rate of return on taxable fixed rate secu-
rities with similar terms issued by comparable issuers), with the first
of the ten equal annual payments payable one year following the respec-
tive billing date.

Further, this bill increases the current minimum contribution to the
System from 4.5% of payroll to 5.5% of payroll for all future years.

Over the long term, this provision will act to reduce the contribution rate volatility and enhance the long term fiscal health of the System.

If this bill is enacted, we estimate that there would be a small administrative cost to the System to revise the current billing processes.

This estimate, dated June 20, 2009, and intended for use only during the 2009 Legislative Session, is Fiscal Note No. 2009-277, prepared by the Actuary for the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System.
