FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This proposed legislation would amend many sections of the Administra-
 tive Code of the City of New York ("ACNY"), several sections of the
 Retirement and Social Security Law ("RSSL"), add a new Subdivision 26 to
 Section 2575 of the Education Law ("Ed Law") and add a new Subdivision j
 to Section 208-f of the General Municipal Law ("GML") to establish the
 rights and benefits for certain domestic partners (hereafter referred to
 as "DPs" and, in accordance with the definition of DP set forth in the
 proposed legislation, covering more than just registered DPs) of members
 of the New York City Retirement Systems ("NYCRS").

The Effective Date of the proposed legislation would be the date of
 enactment.

SECTIONS OF LAW BEING AMENDED: If enacted, the proposed legislation
 would establish rights and benefits for DPs in the following sections of

DEFINITION OF DOMESTIC PARTNER: With respect to the NYCERS provisions which are based on the ACNY, the specific details defining and setting out the limits of DP relationships in Sections 1-112.21 and 3-240 are as follows:

ACNY SECTION 1-112.21

A DP is a person who:

* Is REGISTERED as a domestic partner: pursuant to:

** ACNY Section 3-240, or

** In accordance with Executive Order Number 123 dated August 7, 1989 ("Exec0-89"), or

** In accordance with Executive Order Number 48 dated January 7, 1993 ("Exec0-93"), or

* Is formally recognized as a beneficiary or covered person under the other person's employment benefits or health insurance, or

* Is dependent or mutually interdependent on the other person for support, as evidenced by the totality of the circumstances indicating a mutual intent to be domestic partners including but not limited to: common ownership or joint leasing of real or personal property, common householding, shared income or shared expenses, children in common, signs of intent to marry or become domestic partners according to the definitions above.

ACNY SECTION 3-240.A

ACNY Section 3-240.a promulgated under New York City (the "City") Local Law 27 of the Laws of 1998 (as amended in Calendar Year 2002) further defines DP, who qualifies as a registered DP, confidentiality of DP information, issuance of City Clerk DP Certification and special DP situations.

* DP DEFINITION

In addition to DPs who register under Exec0-89 and Exec0-93, DPs include relationships entered into in jurisdictions other than New York State ("NYS") which are not recognized by NYS, as follows:

** Members of a marriage,

** Domestic partners, and

** Members of a civil union.

* CONDITIONS TO BE REGISTERED AS A DP

All of the following conditions need to be satisfied to be registered:

1. Both persons are either: NYS residents or one person is employed by the City,

2. Both persons are at least 18,

3. Neither of the persons is married,

4. Neither person is in another DP relationship or has been in another DP relationship within the 6 months before current registration,

5. Neither person is related by blood that would otherwise bar marriage in NYS (as stipulated in Section 502-6 of the NYS Domestic Relations Law),

6. The persons have a close and committed relationship, live together and have been living together on a continuous basis, and

7. Both persons must register in person together by executing an affidavit to be submitted to the City Clerk which will be maintained in a

registry (excepting if one person is in prison, hospital or unable to travel due to disability which will require whatever substantiations as deemed necessary by the City Clerk).

* TERMINATION - DP RELATIONSHIP

A DP relationship is deemed to be terminated:

If one of the DPs files a termination statement with the City Clerk that is signed by both DPs. If only signed by one DP, the other DP must be notified of such termination by a registered letter with a return receipt requested, or

If one of the DPs marries.

* ISSUANCE OF DP CERTIFICATE OR DP REGISTRATION

The City Clerk will issue a certificate of DP registration ("C-DPR") provided the applicants meet the requirements. Such C-DPR will constitute proof of DP registration for:

** Leave of Absence from the City for bereavement or child care,

** Visitation at City Correctional and juvenile facilities,

** Visitation at City Health and Hospital facilities,

** Eligibility as a family member to an existing tenancy by City resided,

** Eligibility to qualify as a family member to succeed in tenancy or occupancy in buildings supervised or under jurisdiction of the Department of Housing Preservation and Development,

** Eligibility for City health benefits available to City employees and retirees, or

** Any other rights or benefits established pursuant to applicable law.

IMPACT ON BENEFITS: Currently, DPs for other than being a named beneficiary of a NYCERS member do not have any special entitlement or rights under the NYCERS.

With respect to the NYCERS, if the proposed legislation were enacted, the following rights, benefits are/or options would be made available to DPs (Law Sections changed relate to the specific NYCERS as noted above):

RIGHT TO CHANGE OPTION (ACNY: 12-125, 13-261.3, 13-369.1, 13-370.1, 13-565.c)

If a NYCERS (except BERS) Tier I or Tier II retiree nominates a DP as a joint and survivor beneficiary under Option 2, Option 3 or Option 4, then if such DP ceases to retain such relationship with the retiree for reasons other than death, then the applicable NYCERS Board of Trustees would be permitted to change the benefit back to the maximum benefit with the consent of all parties.

INCLUDE DP IN CERTAIN DEFINITIONS

With respect to the terminology used in the ACNY, Ed Law, GML and RSSL, DP is supposed to be included in the following definitions:

"Authorized Beneficiary" - RSSL: 501.7

"Authorized Representative" - ACNY: 13-101

"Eligible Beneficiary" - RSSL: 601.d

"Spouse" - RSSL: 514.a

"Surviving Beneficiary" - RSSL: 514.c, 610.b

"Widow," "Widower," "Husband/Wife" - Ed Law: 2575.26, GML 208-f.j

ACCIDENTAL DEATH BENEFIT ("ADB") (ACNY: 13-149, 13-244, 13-347, 13-544.b, Ed Law: 2575.26)

Upon the death of a Tier I or Tier II NYCERS member which is determined to have been accidental and in the Line-of-Duty ("LOD"), DPs would become eligible to receive the ADB of one-half of the Increased-Take-Home-Pay ("ITHP") plus a pension of 50% of the member's final compen-

sation (as limited in Tier II positions by the Kingston Limitations) payable until death, marriage or entering into another DP relationship.

Also, the surviving spouse ADB pension would be amended to also not be payable if such surviving spouse entered into a DP relationship.

Such DP ADB would precede any ADB that would have otherwise been payable to the deceased member's children or dependent parents.

Thus, the ADB pension benefits otherwise payable to:

- * Eligible surviving children under age 18 (if there were eligible surviving spouses),

- * Surviving dependent parents (if there were no surviving spouse or eligible children under age 18), or

- * The designated person duly elected or named by written election (if there were no surviving spouse, no eligible children under age 18, and no dependent parents)

could only become payable if there were no surviving DP.

SPECIAL ACCIDENTAL DEATH BENEFIT ("SADB") (GML: 208-f.j)

The NYS SADB for those eligible NYCERS members who die in the LOD would become payable to DPs (who are in receipt of a City ADB) for life provided at time of member's death there are no surviving spouses or eligible surviving children under age 18 (students under age 23).

ELIGIBILITY FOR RETIREMENT OPTION (ACNY: 13-101, 13-177, 13-261.a, 13-369.a, 13-370)

The DP is eligible to receive the Tier I or Tier II NYCERS (except BERS) member's retirement allowance in the event the member becomes incompetent prior to the first monthly payment being made. The DP can elect a respective actuarial equivalent form of payment from among four options.

Additionally, the Tier I or Tier II NYCERS (except BERS) member can elect to have the DP as a beneficiary under each of the options available.

EXCEPTION TO OPTION RESTRICTION (RSSL: 514.c, 610.b)

No option shall be permitted whereby the member would receive less than fifty percent of the pension reserve during the member's life expectancy. This statement will not apply if the surviving beneficiary is a spouse or domestic partner of a Tier III or Tier IV member of NYCERS, TRS or BERS.

LIMITATION OF OTHER CITY-PROVIDED BENEFITS (ACNY: 13-184, 13-267, 13-379)

No other laws which provide for pensions at the expense (in part or in total) of the City would apply to the benefits payable to a member's DP under a specific NYCERS.

Nothing prevents a member after retirement from a particular NYCERS from earning another benefit from a different NYCERS and provide such benefit to his/her DP.

DEPENDENT DEATH BENEFIT (ACNY: 13-253, 13-355, 13-355.b, 13-355.c)

A DP would become eligible for a \$600 (elected by the member) annual death benefit from POLICE or FIRE. Such amount is subject to adjustment by the Board of Trustees, if there are other eligible recipients such as surviving children under 18 or dependent parents.

Such DP \$600 benefit would cease on death, marriage or new DP relationship. For surviving spouses who would be eligible if there were no other eligible recipients, the \$600 benefit would cease on death, marriage or entrance into a DP relationship.

30-DAY ELECTION OF OPTION ON DEATH/IMPAIRMENT (ACNY: 13-261.2, 13-369.d, 13-370.e)

If a POLICE or FIRE member dies or becomes mentally or physically impaired within 30 days of having satisfied the eligibility requirements for Ordinary Disability Retirement or Accidental Disability Retirement, such surviving DP would have 30 days from the date of receipt of Board of Trustees notification of such situation to elect an optional mode of payout.

COVERAGE FOR COLA PAYMENTS (ACNY: 13-696.g)

With respect to the payment of COLA, DPs would be considered as surviving spouses for recipients of ADB and as eligible surviving spouse beneficiaries of deceased retirees whose retirement allowance were payable on a joint and survivor option. As such, any Cost-of-Living Adjustment ("COLA") coverage that would otherwise be payable to the surviving spouse would first become payable to DPs beginning September 2009.

FIRE LIFE INSURANCE FUND (ACNY: 13-380.d, 13-380.f)

A DP could become the recipient of Fire Life Insurance Fund ("FLIF") benefits payable upon the death of the active or retired FIRE member.

Any FLIF benefits payable to a DP would be reduced for any unpaid member FLIF premiums.

DP PROVISIONS VALUED IN FISCAL NOTE: With respect to the changes in benefits and provisions noted above, this Fiscal Note limits the development of additional costs to the provisions which govern the additional City ADB and Spousal COLA benefits payable to DPs.

ADDITIONAL ACTUARIAL PRESENT VALUE OF BENEFITS AND EMPLOYER COSTS: Insofar as this proposed legislation relates to the NYCERS, the additional Actuarial Present Value of Benefits ("APVB") cannot be readily determined. It would depend on the number, salaries, ages, lengths of service and ages at death of members and the survivorship of their Domestic Partner beneficiaries who will be effected by this proposed legislation.

However, based upon the actuarial assumptions used for this Fiscal Note, and taking into account those benefits that were valued as described in this Fiscal Note, the enactment of this proposed legislation would increase the APVB for the NYCERS, which, if funded over the future working lifetimes of NYCERS members, would result in increased annualized costs, as follows:

=====

* As of June 30, 2008 based on the actuarial assumptions as noted herein.

** Effective Fiscal Year 2010 if enacted and signed by the Governor after June 30, 2009 but on or before June 30, 2010.

ADDITIONAL EMPLOYER COSTS - GENERAL: In general, the real cost of the enactment of this proposed legislation would be the additional benefits paid.

FINANCIAL IMPACT - ADDITIONAL EMPLOYER CONTRIBUTIONS - FISCAL YEARS 2010 AND LATER: If this proposed legislation were enacted during the current Legislative Session after June 30, 2009 and before June 30, 2010, the Actuary's revised actuarial assumptions and methods reflecting probabilities of payment of Accidental Death noted herein were in effect, then the enactment of this proposed legislation would increase annual employer costs to the NYCERS beginning Fiscal Year 2010.

If the Actuary's revisions in these actuarial assumptions are delayed, then increased employer contributions to the NYCERS are first impacted by the actuarial experience losses recognized during the Fiscal Year following the death of NYCERS members where payments continue to a Domestic Partner.

However, the timing and amount of additional employer contributions attributable to the enactment of this proposed legislation will depend most upon three factors:

* First, the point in time when the Actuary revises actuarial assumptions to reflect that certain active members and retired members who now would be expected to leave to their beneficiaries the payment of Accidental Death Benefits, would in the future be leaving these same death benefits to their respective DPs.

* Second, the point in time at which the Actuary revises actuarial assumptions to reflect possible, further, increased expectations for the payment of Spousal COLA benefits to DPs.

* Third, the impact on employer contributions of any actuarial gains or losses attributable to additional Accidental Death Benefits and the additional payment of Spousal COLA benefits to DPs.

UNMEASURED ADDITIONAL COSTS: The additional APVB and employer contributions attributable to additional Accidental Death Benefits and Spousal COLA Benefits shown herein are based on data described in the CENSUS DATA section of this Fiscal Note using the actuarial assumptions and methods as noted herein.

Additional APVB and employer contributions attributable to any other additional benefits payable/available described in the IMPACT ON BENEFITS section other than ADB and Spousal COLA benefits to DPs have not been estimated.

No estimate has been made of the cost impact to the State of New York for the payment of Special Accidental Death Benefits that may become payable to Domestic Partners.

In addition, no estimate has been made for potential increased medical benefits, administrative or other costs.

CENSUS DATA: The census data used in these calculations are based on the active and retired members included in the June 30, 2008 actuarial valuations of the NYCERS.

ACTUARIAL ASSUMPTIONS AND METHODS: The actuarial assumptions and methods used to determine additional APVB and additional employer contributions are the actuarial methods used in the June 30, 2008 (Lag) actuar-

ial valuations of the NYCRS for use in determining Preliminary Fiscal Year 2010 employer contributions.

With respect to the current actuarial assumptions used to determine ongoing employer contributions, the Actuary assumes that 100% of the members are married.

For purposes of estimating the coverage of DPs for certain benefit rights in this Fiscal Note, it was first necessary to break down the group of active members into different categories.

It was assumed that 60% of members are married with a surviving spouse and ADB eligible children, 15% of members are married with no ADB eligible children to collect benefits, 5% of the members are married with no spouse but ADB eligible children and the balance, or 20% of the members, have no spouse or ADB eligible children.

From the groups representing 5% of members with ADB eligible children only and the 20% of members without eligible spouse or ADB eligible children, it was assumed that 40% such members would have DPs (i.e. 2% of members with ADB eligible children only and 8% of members who have no spouse or ADB eligible children).

For the profile of DPs relative to the members, it was assumed that 75% would be of the opposite sex to the member where males are assumed to be 3 years older relative to females. For the 25% of members with same sex DPs, it was assumed that member and DP were the same age.

In order to determine the increase in APVB, it was necessary to develop a new baseline of liabilities which takes into account the creation of different categories of active members as noted above from the current 100% assumed married assumption.

For members who die before attainment of age 37 with surviving spouse and ADB eligible children, it was assumed that the ADB would be guaranteed to be paid for at least 25 years and then there would be a continuing annuity for the balance of the surviving spouse's lifetime after 25 years.

For members who die on and after attainment of age 37 with spouse and ADB eligible children, it was assumed that the ADB would be paid for the greater of the lifetime of the spouse or for a guaranteed period of years equal to the number of years between a member's age at death and age 62.

For the 5% of members with no spouse and ADB eligible children, it was assumed that for members dying before attainment of age 37, the ADB would be paid on a term certain basis for 25 years. For members dying on and after attainment of age 37, the ADB would be paid on term certain basis until the year the member would have attained age 62. Thus, any member in this category who dies after age 62 was assumed to provide no ADB.

Because the number of Tier I and Tier II NYCRS members who could possibly benefit for DP ADB was minimal, no additional liabilities for such benefits were developed with respect to these members.

In order to develop the impact of DPs on the Spousal COLA benefits that would become payable, it was necessary to assess the different situations in which such benefit would become payable (i.e., for the surviving spouse under an optional mode of payout based on a joint survivor contingency elected at point of retirement).

Such joint and survivor ("J&S") contingencies are available at Service Retirement ("SR"), Ordinary Disability Retirement ("ODR") and Accidental Disability Retirement ("ADR"). For each NYCRS, the following percentages represent the elections of all existing retirees as of June 30, 2004 who chose joint and survivor option coverage:

Percentage of NYCERS Members Who Elect Joint and Survivor Coverage at Different Types of Retirement

Type of Retirement	NYCERS		NYCTRS		BERS		POLICE		FIRE	
	M*	F*	M*	F*	M*	F*	M*	F*	M*	F*
Service Ordinary	36%	5%	51%	20%	55%	5%	8%	2%	4%	0%
Disability	5%	5%	25%	11%	39%	8%	5%	**	5%	0%
Accidental Disability	10%	4%	47%	17%	46%	8%	7%	**	6%	0%

* M - retirement members who are male, F - retired members who are female.

** Percentage less than 1%.

By utilizing the assumptions for the percentage of benefits at each type of retirement payable in the form of J&S annuities, 5% of those electing J&S forms of benefit are assumed to be payable upon death of the retired member to his elected Domestic Partner. Then, surviving DPs would be eligible for the Spousal COLA benefits upon the death of the retired member.

Additional annual employer costs have been estimated assuming the additional APVB are financed through future normal contributions under the Actuary's One-Year Lag methodology.

With respect to the age and mortality of DP beneficiaries for measuring APVB and employer cost in this Fiscal Note, it was assumed that the ages of the DP would be 3 years older for males relative to females except in NYCTRS where they were assumed to be the same age.

The DP beneficiary mortality was generally taken from the NYCERS Clerks mortality tables. However, for NYCTRS beneficiaries, mortality was based on the NYCTRS mortality tables.

For purposes of developing the APVB and employer costs for Fiscal Year 2010, it was assumed that the percentage of liabilities representing the increase in APVB for each NYCERS originally established as of June 30, 2004 would remain the same.
