THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Notwithstanding section 101 of the retirement and social
2 security law, the beneficiary of Robert Carballeira, who was a member of
3 the New York state and local employees' retirement system and employed
4 by the county of Suffolk, shall be entitled to a benefit based on the
5 total service credit to which he was entitled at the time of his earlier
6 retirement on August 30, 1997 including all credit received pursuant to
7 chapter 41 of the laws of 1997, in addition with all member service
8 credit earned by him subsequent to his last restoration to membership on
9 March 1, 2003, if, on or before December 31, 2009, such beneficiary
10 shall file an application therefor with the state comptroller. Such
11 total service credit to which he was entitled at the time of his earlier

14 of the amount of the retirement allowance he received, and the actuarial
15 equivalent thereof shall not be deducted from his subsequent retirement
16 allowance. Such benefit will be recalculated as of January 15, 2008.
17 In addition to the recalculated benefit that the beneficiary will
18 receive for her lifetime, retroactive to the pensioner's date of death,
19 the beneficiary will receive a retroactive payment based on the differ-

21 Robert Carballeira prior to his death.

22 S 2. All costs of implementing the provisions of this act shall be
23 borne by the county of Suffolk.

24 S 3. This act shall take effect immediately.

LBD14308-02-9

This bill would authorize the beneficiary of Robert Carballeira to receive an enhanced pension benefit. Mr. Carballeira retired August 30, 1997 under the retirement incentive authorized by chapter 41 of the laws of 1997. He restored to membership in 2003 and subsequently retired on January 15, 2008. This bill would provide an enhanced pension based on all service credit earned, including the retirement incentive credit, without requiring that the retirement allowance that was paid be returned to the retirement system.

If this bill is enacted, there will be an immediate past service cost of approximately \$369,000 which will be borne by Suffolk County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2010.

This estimate, dated June 22, 2009, and intended for use only during the 2009 Legislative Session, is Fiscal Note No. 2009-268, prepared by the Actuary for the New York State and Local Employees' Retirement System.
