FISCAL NOTE.--PURSUANT TO LEGISLATIVE LAW, SECTION 50:

This bill would require the state of New York and the participating employers in a public retirement system which employs any retiree of a public retirement system to annually file a report to the retirement system from which such employee retired. Such report shall consist of the retiree's name, date of birth, place of employment, current position and all earnings.

If this bill is enacted, we anticipate that there would be a small annual administrative cost to the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System.

This estimate, dated January 4, 2010, and intended for use only during the 2010 Legislative Session, is Fiscal Note No. 2010-2, prepared by the Actuary for the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System.
