1 of 1999, the opening paragraph as amended by section 1 of part BBB of
2 chapter 59 of the laws of 2009, is amended to read as follows:
3 1. Commencing January first, nineteen hundred ninety-four and every
4 year thereafter all sources of regulated air contaminants identified
5 pursuant to subdivision one of section 19-0311 of this chapter shall
6 submit to the department an annual fee of forty-five dollars per ton [up
7 to seven thousand tons] annually of each regulated air contaminant as
8 follows: forty-five dollars per ton for facilities with total emissions
9 less than one thousand tons annually; fifty dollars per ton for facili-
10 ties with total emissions of one thousand or more but less than two
11 thousand tons annually; fifty-five dollars per ton for facilities with
12 total emissions of two thousand or more but less than five thousand tons
13 annually; and sixty-five dollars per ton for facilities with total emis-
14 sions of five thousand or more tons annually. Such fee shall be suffi-
15 cient to support an appropriation approved by the legislature for the
16 direct and indirect costs associated with the operating permit program
17 established in section 19-0311 of this chapter. Such fee shall be estab-
18 lished by the department and shall be calculated by dividing the amount
19 of the current year appropriation from the operating permit program
20 account of the clean air fund by the total tons of emissions of regu-
21 lated air contaminants that are subject to the operating permit program
22 fees from sources subject to the operating permit program pursuant to
23 section 19-0311 of this chapter [up to seven thousand tons] annually of
24 each regulated air contaminant from each source; provided that, in
25 making such calculation, the department shall adjust their calculation
26 to account for any deficit or surplus in the operating permit program
27 account of the clean air fund established pursuant to section ninety-
28 seven-00 of the state finance law; any loan repayment from the mobile
29 source account of the clean air fund established pursuant to section
30 ninety-seven-00 of the state finance law; and the rate of collection by
31 the department of the bills issued for the fee for the prior year.
32 Notwithstanding the provisions of the state administrative procedure
33 act, such calculation and fee shall be established as a rule by publica-
34 tion in the Environmental Notice Bulletin no later than thirty days
35 after the budget bills making appropriations for the support of govern-
36 ment are enacted or July first, whichever is later, of the year such fee
37 will be effective. In no event shall the fee established herein be any
38 greater than the maximum fee identified pursuant to this section.
39 S 3. This act shall take effect immediately.
