AN ACT to amend the public authorities law, in relation to replacement power

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. The opening paragraph of subdivision 13 of section 1005 of
2 the public authorities law, as amended by chapter 645 of the laws of
3 2006, is amended to read as follows:
4 Notwithstanding any other provision of law to the contrary but subject
5 to the terms and conditions of federal energy regulatory commission
6 licenses, to allocate or reallocate directly or by sale for resale, two
7 hundred fifty megawatts of firm Niagara project hydroelectric power as
8 "expansion power" and four hundred forty-five megawatts of firm Niagara
9 project hydroelectric power as "replacement power" to businesses within
10 the state located within thirty miles of the Niagara project, and four
11 hundred ninety megawatts of firm and interruptible power from the Saint
12 Lawrence-FDR project as "preservation power" sold to businesses located
13 within the counties of Jefferson, Saint Lawrence and Franklin, provided
14 that the amount of expansion power allocated to businesses in Chautauqua
15 county on January first, nineteen hundred eighty-seven shall continue to
16 be allocated in such county and, provided further that up to seventy
17 megawatts of replacement power, up to thirty-eight and six-tenths mega-
18 watts of preservation power from the Saint Lawrence-FDR project which is
19 relinquished or withdrawn after the effective date of chapter three
20 hundred thirteen of the laws of two thousand five which amended this
21 subdivision and, for the period ending on December thirty-first, two
22 thousand six, up to twenty megawatts of other power from the Saint
23 Lawrence-FDR project which is unallocated as of the effective date of
24 chapter three hundred thirteen of the laws of two thousand five which

1 amended this subdivision, shall be allocated by the authority together
2 with such other funds of the authority as the trustees deem feasible and
3 advisable for energy cost savings benefits pursuant to the [twelfth]
4 ELEVENTH undesignated paragraph of this section. Provided, however,
5 that the amount of [replacement,] preservation power, or the additional
6 twenty megawatts of Saint Lawrence-FDR power for the period ending
7 December thirty-first, two thousand six made available for such purpose,
8 used for energy cost savings benefits that are relinquished by or with-
9 drawn from a recipient thereof shall be offered by the authority propor-
10 tionately for a period of six months for reallocation to applicants who
11 qualify respectively for [replacement or] preservation power allocations
12 as provided in this subdivision. If such power is not allocated within
13 such period it shall be allocated for the purpose of energy cost savings
14 benefits pursuant to subdivision (h) of section one hundred eighty-three
15 of the economic development law. The authority shall negotiate contracts
16 on reasonable terms and conditions to renew or extend every permanent
17 contract allocation of expansion power in effect on the effective date
18 of this subdivision and, to the extent consistent with such contracts,
19 the authority shall negotiate contracts on reasonable terms and condi-
20 tions to extend or renew all other allocations or allotments of such
21 power in effect on such date. The authority shall negotiate contracts
22 on reasonable terms and conditions to renew or extend for a period of at
23 least five years every permanent contract allocation of replacement
24 power in effect on the effective date of chapter three hundred thirteen
25 of the laws of two thousand five which added this sentence and that
26 would expire by its terms on or before the end of the initial federal
27 energy regulatory commission license for the Niagara project; provided
28 that, in negotiating the terms and conditions of such contracts, the
29 authority may consider a business' compliance with all current contrac-
30 tual obligations, including employment and power usage commitments.
31 Contracts entered into pursuant to this subdivision shall contain
32 reasonable provisions providing for the partial or complete withdrawal
33 of the power in the event the recipient fails to maintain mutually
34 agreed levels of employment, investment, and power utilization. Expan-
35 sion or replacement power relinquished by businesses or withdrawn by the
36 authority shall be allocated directly or by sale for resale by the
37 authority to businesses within the state located within thirty miles of
38 the Niagara project provided, that the amount of power allocated to
39 businesses in Chautauqua county on January first, nineteen hundred
40 eighty-seven shall be allocated in such county. Preservation power that
41 is relinquished by businesses or withdrawn by the authority shall be
42 allocated directly or by sale for resale by the authority within the
43 counties of Jefferson, Saint Lawrence and Franklin. Allocations made
44 pursuant to this paragraph shall be made in accordance with criteria
45 established by the trustees. Such criteria shall address the expansion
46 of industry and employment pursuant to paragraph (a) of this subdivision
47 and the revitalization of existing industry pursuant to paragraph (b) of
48 this subdivision.

49 S 2. The eleventh undesignated paragraph of section 1005 of the public
50 authorities law, as amended by section 7 of part U of chapter 59 of the
51 laws of 2006, is amended to read as follows:

52 The authority is authorized to allocate [up to seventy megawatts of
53 unallocated power from the Niagara project sold prior to the effective
54 date of this paragraph as replacement power,] up to thirty-eight and
55 six-tenths megawatts of preservation power from the Saint Lawrence-FDR
56 project which is relinquished or withdrawn after the effective date of

1 this paragraph, and for the period ending on December thirty-first, two
2 thousand six, up to an additional twenty megawatts of power from the
3 Saint Lawrence-FDR project which is unallocated as of the effective date
4 of this paragraph, for sale into the wholesale market, the net earnings
5 from which and such other funds of the authority as deemed feasible and
6 advisable by the trustees, shall be used for energy cost savings bene-
7 fits. Such energy cost savings benefits shall be made upon recommenda-
8 tion of the economic development power allocation board, pursuant to
9 subdivision (h) of section one hundred eighty-three of the economic
10 development law. For purposes of this paragraph, the term net earnings
11 shall mean any excess of revenues earned from the sale of such power
12 allocated to the wholesale market from the Niagara and Saint
13 Lawrence-FDR projects over the revenues that would have been received
14 had such firm power been allocated and sold on a firm basis by the
15 authority prior to the effective date of this paragraph.
16 S 3. This act shall take effect January 1, 2010.
