chapter three hundred thirteen of the laws of two thousand five which amended this subdivision, shall be allocated by the authority together 3 with such other funds of the authority as the trustees deem feasible and advisable for energy cost savings benefits pursuant to the [twelfth] 5 ELEVENTH undesignated paragraph of this section AND, PROVIDED FURTHER 6 THAT LOW COST HYDROPOWER BE MADE AVAILABLE TO HOSPITALS THAT ARE LOCATED 7 THE COUNTIES OF NIAGARA AND ORLEANS. Provided, however, that the 8 amount of replacement, preservation power, or the additional twenty megawatts of Saint Lawrence-FDR power for the period ending December 9 10 thirty-first, two thousand six made available for such purpose, used for 11 energy cost savings benefits that are relinquished by or withdrawn from recipient thereof shall be offered by the authority proportionately 12 13 for a period of six months for reallocation to applicants who qualify 14 respectively for replacement or preservation power allocations 15 provided in this subdivision. If such power is not allocated within such period it shall be allocated for the purpose of energy cost savings 16 benefits pursuant to subdivision (h) of section one hundred eighty-three 17 18 of the economic development law. The authority shall negotiate contracts on reasonable terms and conditions to renew or extend every permanent contract allocation of expansion power in effect on the effective date 19 20 this subdivision and, to the extent consistent with such contracts, 21 22 the authority shall negotiate contracts on reasonable terms and condi-23 tions to extend or renew all other allocations or allotments of such 24 power in effect on such date. The authority shall negotiate contracts 25 on reasonable terms and conditions to renew or extend for a period of at 26 least five years every permanent contract allocation of replacement power in effect on the effective date of chapter three hundred thirteen 27 the laws of two thousand five which added this sentence and that 28 29 would expire by its terms on or before the end of the initial federal energy regulatory commission license for the Niagara project; provided 30 31 that, in negotiating the terms and conditions of such contracts, the authority may consider a business' compliance with all current contrac-32 33 tual obligations, including employment and power usage commitments. Contracts entered into pursuant to this subdivision shall contain reasonable provisions providing for the partial or complete withdrawal 34 35 36 the power in the event the recipient fails to maintain mutually 37 agreed levels of employment, investment, and power utilization. Expan-38 sion or replacement power relinquished by businesses or withdrawn by the 39 authority shall be allocated directly or by sale for resale by the 40 authority to businesses within the state located within thirty miles of the Niagara project provided, that the amount of power allocated to 41 businesses in Chautauqua county on January first, nineteen hundred eighty-seven shall be allocated in such county. Preservation power that 42 43 is relinquished by businesses or withdrawn by the authority shall be 44 45 allocated directly or by sale for resale by the authority within the counties of Jefferson, Saint Lawrence and Franklin. Allocations made 46 47 pursuant to this paragraph shall be made in accordance with criteria 48 established by the trustees. Such criteria shall address the expansion 49 of industry and employment pursuant to paragraph (a) of this subdivision 50 and the revitalization of existing industry pursuant to paragraph (b) of 51 this subdivision. 52

S 2. This act shall take effect immediately.
