(a) The governing body of any approved assessing unit except a county may adopt the provisions of this section by local law without referendum provided however, that the local law is enacted no later than sixty days prior to the completion of the tentative assessment roll to which it is applicable. Upon such enactment the provisions of this section shall be applicable to taxes levied on all final assessment rolls thereafter filed and shall apply to the levy of taxes on all real property in such approved assessing unit by such governing body and, where such approved assessing unit is not a village, by each school district wholly contained within such approved assessing unit. Upon enacting a local law pursuant to this paragraph, the governing body of a city or town shall provide a copy of such local law to the school authorities of each school district located wholly or partially within such city or town and the county director of real property tax services. The governing body of a town shall also provide a copy of such local law to the governing body of each eligible non-assessing unit village.
