I N S E N A T E

March 3, 2009

Introduced by Sens. LAVALLE, FLANAGAN, FUSCHILLO, LITTLE -- read twice
and ordered printed, and when printed to be committed to the Committee
on Education

AN ACT to amend the education law, in relation to enacting the "truth in
voting act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent. The legislature hereby finds that the
2 decisions and determinations of our school districts impact not only the
3 children attending those schools, but our communities as a whole.
4 Nowhere is this more prevalent than in the school budget process.
5 School districts are required to provide the public with notice and
6 information regarding the annual school budget hearing and the school
7 budget vote. However, in the event a budget is defeated, this process
8 may sometimes be used to push through budgets by disseminating informa-
9 tion that may be confusing, misleading and intimidating. Residents of a
10 school district must never feel compelled to vote for a budget based
11 upon speculation or threats of broad sweeping cuts. Often people must
12 choose between an untenable school property tax increase or the possible
13 reduction or elimination of important educational programs such as full-
14 day kindergarten, athletics, advanced placement courses, etc. If the
15 school board's plan is to cut or reduce such programs, they need to be
16 specific in how the cuts will be made. In order to ensure that people
17 are armed with enough information to make an informed decision, resi-
18 dents need to be made aware of whether the cuts are to be made across
19 the board or whether they are to be more narrowly tailored. For
20 instance, where a school district opts to eliminate athletics, they must
21 articulate which sports and at what level the cost will be made (elemen-
22 tary, freshmen, junior varsity, varsity, etc.). Also, where a school
23 district opts to reduce or eliminate advanced placement courses, music,
24 art or reading programs, it must specify each course by name. Attached

1 to each initiative to be reduced or eliminated must be a dollar amount
2 so that it is clearly evident to the taxpayer how much money the school
3 district would save from such measures.

4 Residents must be afforded the most accurate information possible
5 regarding the decisions made by their local school board. It must be the
6 goal of every school district to enlighten the public regarding the
7 choices made in deciding where and how school property tax dollars are
8 spent.

9 Furthermore, this legislation would allow local taxpayers to know
10 first hand, the consequences that accompany a contingent budget should
11 the initial school budget be defeated. It would require school districts
12 to compose a detailed list of those programs that would be reduced or
13 eliminated under a contingent budget.

14 It is the intent of this legislation to provide the public with
15 detailed information pertaining to the school budget process. Voters
16 must be armed with knowledge rather than driven by rumors. Such informa-
17 tion should be written in a manner that is clear, concise and easily
18 understood by the average reader. It is the hope of the legislature that
19 this legislation will provide communities with greater understanding of
20 the school budget process and encourage participation of the public in
21 their local school systems.

22 S 2. This act shall be known and may be cited as the "truth in voting
23 act".

24 S 3. Subdivision 1 and paragraph a of subdivision 2-a of section 2022
25 of the education law, subdivision 1 as amended by section 8 of part C of
26 chapter 58 of the laws of 1998 and paragraph a of subdivision 2-a as
27 added by section 3 of part A of chapter 60 of the laws of 2000, are
28 amended to read as follows:

29 1. Notwithstanding any law, rule or regulation to the contrary, the
30 election of trustees or members of the board of education, [and] the
31 vote upon the appropriation of the necessary funds to meet the estimated
32 expenditures, AND THE VOTE UPON A BOND RESOLUTION, in any common school
33 district, union free school district, central school district or central
34 high school district shall be held at the annual meeting and election on
35 the third Tuesday in May, provided, however, that such election shall be
36 held on the second Tuesday in May if the commissioner at the request of
37 a local school board certifies no later than March first that such
38 election would conflict with religious observances. When such election
39 or vote is taken by recording the ayes and noes of the qualified voters
40 attending, a majority of the qualified voters present and voting, by a
41 hand or voice vote, may determine to take up the question of voting the
42 necessary funds to meet the estimated expenditures for a specific item
43 separately, and the qualified voters present and voting may increase the
44 amount of any estimated expenditures or reduce the same, except for
45 teachers' salaries, and the ordinary contingent expenses of the schools.
46 The sole trustee, board of trustees or board of education of every
47 common, union free, central or central high school district and every
48 city school district to which this article applies shall hold a budget
49 hearing not less than seven nor more than fourteen days prior to the
50 annual meeting and election or special district meeting at which a

2 projected contingency budget adopted pursuant to section two thousand
3 twenty-three of this article, assuming that such contingency budget is
4 adopted on the same day as the vote on the proposed budget. Such compar-
5 ison shall be in total and by component (program, capital and adminis-

11 THE ENSUING SCHOOL YEAR. SUCH LIST SHALL BE IN AN ITEMIZED FORMAT
12 DETAILING EVERY COURSE, PROGRAM, CURRICULAR ACTIVITY AND EXTRACURRICULAR
13 ACTIVITY BY NAME, SO AS TO PORTRAY AN ACCURATE DEPICTION OF THE EFFECTS
14 A CONTINGENT BUDGET WILL HAVE ON A SCHOOL DISTRICT. IN ADDITION, EACH
15 ITEM LISTED SHALL HAVE A DOLLAR AMOUNT CORRESPONDING TO IT IN ORDER TO
16 CLEARLY DEPICT THE AMOUNT SUCH REDUCTION OR ELIMINATION ACTUALLY
