FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend the Retirement and Social Security Law in relation to heart disease related disabilities. It would add a "heart bill" provision for police officers of the Division of Law Enforcement in the Department of Environmental Conservation who are members of the New York State and Local Police and Fire Retirement System.

If this bill is enacted, it could lead to more disabilities being classified as "performance of duty". We anticipate that few performance of duty disability retirements will be granted, and thus, the resulting costs will be negligible.

This estimate, dated January 15, 2009, and intended for use only during the 2009 Legislative Session, is Fiscal Note No. 2009-99, prepared by the Actuary for the New York State and Local Police and Fire Retirement System.
