AN ACT to amend the New York state urban development corporation act, in relation to enacting the food retail establishment subsidization for healthy communities (FRESH Communities) act; and to amend the tax law, in relation to establishing the retail food establishment living wages tax credit

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Short title. This act shall be known and may be cited as  
2     the "food retail establishment subsidization for healthy communities  
3     act".  
4     S 2. Legislative intent. The legislature finds that the lack of access  
5     to fresh foods is a problem of growing concern in many communities  
6     across the state. Substantial increases in urban land values and rents,  
7     limited access to financing and other economic pressures have left many  
8     lower-income residents in urban and rural areas underserved by supermar-  
9     kets and other food retail establishments. The resulting lack of access  
10    to a variety of fresh food retailers makes it more difficult and expen-  
11    sive for these residents to maintain a nutritionally balanced diet and  
12    leads to increased public health costs, dilutes the value of public  
13    assistance for food purchases, leads to greater travel times and energy  
14    expenditures to obtain fresh food, and deprives the state's farmers of  
15    markets for their products. Providing access to financial assistance for  
16    urban and rural supermarkets in underserved areas will remedy these
