2009-2010 Regular Sessions

I N S E N A T E

March 25, 2009

Introduced by Sen. DUANE -- read twice and ordered printed, and when
printed to be committed to the Committee on Finance

AN ACT creating a temporary New York state commission on sex offender
supervision and management and providing for the repeal of such
provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and intent. The legislature hereby
2 finds and declares that persons convicted of a sex offense present a
3 danger to the public. It is necessary that these offenders receive
4 appropriate supervision and treatment designed to reduce the risk of
5 re-offense in order to ensure the safety, health and welfare of the
6 communities in which convicted sex offenders reside. The legislature
7 further finds that New York's state prison system does not adequately
8 prepare inmates for a safe return to the community upon the completion
9 of their sentence. Lack of treatment during incarceration creates a
10 threat to public safety by increasing the likelihood that inmates
11 released to the community will be unable to successfully transition back
12 to society and therefore heightens the risk of re-offense. This is espe-
13 cially true for sex offenders who often do not find appropriate housing
14 and treatment programs in the community. Further, the division of
15 parole, local probation departments and social services agencies are
16 often unable to locate suitable housing for convicted sex offenders.
17 This lack of housing has resulted in an unacceptable level of concen-
18 tration of sex offenders in certain residential areas.

19 S 2. A temporary state commission, to be known as the New York state
20 commission on sex offender supervision and management, hereinafter
21 referred to as the commission, is hereby created to examine, evaluate,
22 and make recommendations concerning the effectiveness of programs
23 involving inmates who are required to register as a sex offender pursu-
24 ant to article 6-C of the correction law released from state and local

4 impact of existing policies and practices and compare such policies and
5 practices of this state to those of other states and the federal govern-
6 ment. The commission shall collect data from state and federal agencies
7 and may analyze any current research deemed relevant and appropriate.
8 Specifically, the commission shall examine at least the following:

9 (a) the existence of concentrations of registered sex offenders in
10 certain residential areas and municipalities and the circumstances that
11 caused such concentrations to exist;

12 (b) the practices and procedures of the division of parole, local
13 probation departments and local social services districts in investigat-
14 ing and approving residences for convicted sex offenders;

15 (c) the availability of appropriate housing for convicted sex offen-
16 ders;

17 (d) the adequacy of supervision and monitoring of registered sex
18 offenders under the supervision of the division of parole or serving a

44 their services, but shall be allowed their actual and necessary expenses
45 incurred in the performance of their duties hereunder. To the maximum
46 extent feasible, the commission shall be entitled to request and receive
47 and shall utilize and be provided with such facilities, resources, and

7 date of this act.

8 S 7. This act shall take effect immediately and shall expire and be
9 deemed repealed 1 year after such effective date; provided that the
10 appointment of members to the New York state commission on sex offender
11 supervision and management shall be completed within 90 days of such
12 effective date.
