Introduced by Sen. MORAHAN -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to autism spectrum disorder reporting

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Legislative intent. The legislature finds that there is a  
2     clear need for great accuracy in reporting and gathering epidemiologic  
3     data on the incidence of autism spectrum disorders in New York state.  
4     Further, the legislature finds that the state currently requires that a  
5     number of other conditions, including cancer and birth defects, be  
6     reported and maintained in a central registry. A similar registry  
7     requirement for reporting diagnoses of autism spectrum disorders and  
8     maintaining such information is needed to improve the current knowledge  
9     and understanding of autism, to conduct thorough and complete epidemio-  
10    logic surveys of the disorder, to enable analysis of this problem, and  
11    to plan for and provide services to children with autism spectrum disor-  
12    ders and their families.

13    S 2. The public health law is amended by adding a new article 24-F to  
14    read as follows:

15                             ARTICLE 24-F

16                             AUTISM SPECTRUM DISORDER REPORTING

17     SECTION 2499-B. AUTISM SPECTRUM DISORDER; DUTY TO REPORT.

18             2499-C. REGISTRY AND REPORTING REQUIREMENTS.

19     S 2499-B. AUTISM SPECTRUM DISORDER; DUTY TO REPORT. 1. EVERY PHYSICIAN  
20     OR PSYCHOLOGIST LICENSED PURSUANT TO ARTICLE ONE HUNDRED FIFTY-FOUR OF  
21     THE EDUCATION LAW, AND ANY OTHER HEALTH CARE PROFESSIONAL LICENSED  
22     PURSUANT TO TITLE EIGHT OF THE EDUCATION LAW WHO IS QUALIFIED BY TRAIN-  
23     ING TO MAKE THE DIAGNOSIS AND WHO THEN MAKES THE DIAGNOSIS THAT A CHILD

10 3. THE COMMISSIONER SHALL SPECIFY PROCEDURES FOR HEALTH CARE PROFES-  
11 SIONALS TO INFORM CHILDREN'S PARENTS AND GUARDIANS OF THE REQUIREMENTS  
12 OF THIS SECTION, THE PURPOSE OF INCLUDING THIS INFORMATION IN A REGIS-

20 APPROPRIATE IN ORDER TO CONDUCT THOROUGH AND COMPLETE EPIDEMIOLOGIC  
21 SURVEYS OF AUTISM SPECTRUM DISORDERS, TO ENABLE ANALYSIS OF THIS PROB-  
22 LEM, AND TO PLAN FOR AND PROVIDE SERVICES TO CHILDREN WITH AUTISM SPEC-  
23 TRUM DISORDERS AND THEIR FAMILIES.

24 2. THE REPORTS MADE PURSUANT TO THIS ARTICLE ARE TO BE USED ONLY BY

36 S 3. This act shall take effect on the one hundred twentieth day after  
37 it shall have become a law. Provided that the commissioner of health is  
38 authorized to promulgate any and all rules and regulations and take any  
39 other measures necessary to implement this act on its effective date on  
40 or before such date.
