I N S E N A T E

April 21, 2009

Introduced by Sen. C. JOHNSON -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to the administration of exams to students with disabilities

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and intent. The legislature finds that  
2 certain students with disabilities are allowed extended testing time  
3 according to their individual education program, or perhaps even accom-  
4 modations provided pursuant to regulations promulgated under section 504  
5 of the Rehabilitation Act of 1973. The legislature further finds that  
6 these students, as a result of this extended time allowance, are being  
7 subjected to ten or eleven straight hours of testing when they are  
8 required to take two regents exams in the same date.

9 The legislature acknowledges the department of education's need for  
10 security concerning the substance of the examination. As such, the  
11 legislature understands the department's continuing hesitance to allow  
12 these students with disabilities to take the exams on days other than  
13 which they had been officially scheduled.

14 However, the benefits of providing these children with respite between  
15 each exam far outweighs the potential of one of these students garnering  
16 information about the exam from another student who had previously taken  
17 the exam. Therefore, it is the intent of this legislature to have the  
18 commissioner of education implement a process whereby students with  
19 certain disabilities are not required to take more than one regents  
20 examination in any given day.

21 S 2. The education law is amended by adding a new section 319 to read  
22 as follows:

23 S 319. EXAMINATION OF STUDENTS WITH DISABILITIES. 1. THE COMMISSIONER  
24 SHALL ENSURE THAT ANY CHILD WHO HAS EXTENDED TESTING TIME PROVISIONS ON  
25 HIS OR HER INDIVIDUAL EDUCATION PROGRAM, OR WHO RECEIVES EXTENDED TEST-

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets  
[ ] is old law to be omitted.
