2009-2010 Regular Sessions

IN SENATE

April 27, 2009

Introduced by Sen. FOLEY -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to prohibiting the use of certain toxic chemicals for lawn and grounds maintenance

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings and intent. The legislature finds and 1 declares that it is the policy of the state to prevent unnecessary 2 endangerment of human health and environmental quality. In order to 3 further this mission, the risks posed by the use of toxic chemicals must 4 5 be evaluated in light of the benefits derived. The use of toxic chemicals for the purely aesthetic purpose of lawn and grounds maintenance 6 7 confers no public health or environmental benefit, yet exposes people, 8 often without their knowledge or consent, to many chemicals with serious, deleterious effects on human health and the environment. It is the 9 10 intent of the legislature to prevent such unwarranted exposure from purely aesthetic use. 11

12 S 2. Section 33-1301 of the environmental conservation law is amended 13 by adding a new subdivision 12 to read as follows:
