Introduced by Sens. BRESLIN, LANZA, MONTGOMERY, OPPENHEIMER, PADAVAN, PARKER, VALESKY -- read twice and ordered printed, and when printed to be committed to the Committee on Health -- recommitted to the Committee on Health in accordance with Senate Rule 6, sec. 8 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public health law, in relation to requirements for collective negotiations by health care providers with certain health benefit plans

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Statement of legislative intent. The legislature finds that
2 collective negotiation by competing health care providers for the terms
3 and conditions of contracts with health plans can result in beneficial
4 results for health care consumers. The legislature further finds
5 instances where health plans dominate the market to such a degree that
6 fair and adequate negotiations between health care providers and the
7 plans are adversely affected, so that it is necessary and appropriate to
8 provide for a system of collective action on behalf of health care
9 providers. Consequently, the legislature finds it appropriate and necessary
10 to displace competition with regulation of health plan-provider
11 agreements and authorize collective negotiations on the terms and conditions
12 of the relationship between health care plans and health care
13 providers so the imbalances between the two will not result in adverse
14 conditions of health care. This act is not intended to apply to or
15 affect in any respect collective bargaining relationships involving
16 health care providers as defined in section 4920 of the public health
17 law or rights relating to collective bargaining arising under applicable
18 federal or state collective bargaining statutes.
19 S 2. This act shall be known and may be cited as the "health care
20 consumer and provider protection act".

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.
