d. Service requirement. Within such time as the commissioner shall by regulation provide, a recipient of an award shall have agreed to practice medicine OR DENTISTRY in a specific area designated as having a shortage of physicians OR DENTISTS for a period of twelve months for each annual payment to be received by the recipient. Physicians AND DENTISTS in training who receive an award shall not receive credit toward their required service for time spent in a training program. A recipient of an award shall report annually to the New York state higher education services corporation, and the department of health on forms prescribed by the president, as to the performance of the required services, commencing with the calendar year in which the recipient begins to practice medicine OR DENTISTRY in a shortage area and continuing until the recipient shall have completed, or it is determined that he or she shall not be obligated to complete, the required services. If the recipient shall fail to file any report required [hereunder] PURSUANT TO THIS PARAGRAPH within thirty days of written notice to the recipient, mailed to the address shown on the last application for an award or last report filed, whichever is later, the president of the corporation may impose a fine of up to one thousand dollars.
