THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. Subdivisions 1 and 2 of section 364-i of the social
2 services law, as amended by chapter 693 of the laws of 1996, are amended
3 to read as follows:
4 1. An individual, upon application for medical assistance, shall be
5 presumed eligible for such assistance for a period of sixty days from
6 the date of transfer from a general hospital, as defined in section
7 twenty-eight hundred one of the public health law to a certified home
8 health agency [or long term home health care program], as defined in
9 section thirty-six hundred two of the public health law, or to a hospice
10 as defined in section four thousand two of the public health law, or to
11 a residential health care facility as defined in section twenty-eight
12 hundred one of the public health law, if the local department of social
13 services determines that the applicant meets each of the following
14 criteria: (a) the applicant is receiving acute care in such hospital;
15 (b) a physician certifies that such applicant no longer requires acute
16 hospital care, but still requires medical care which can be provided by
17 a certified home health agency, [long term home health care program,]
18 hospice or residential health care facility; (c) the applicant or his OR
19 HER representative states that the applicant does not have insurance
20 coverage for the required medical care and that such care cannot be
21 afforded; (d) it reasonably appears that the applicant is otherwise
22 eligible to receive medical assistance; (e) it reasonably appears that
23 the amount expended by the state and the local social services district
24 for medical assistance in a certified home health agency, [long term
25 home health care program,] hospice or residential health care facility,

1 during the period of presumed eligibility, would be less than the amount
2 the state and the local social services district would expend for
3 continued acute hospital care for such person; and (f) such other deter-
4 minative criteria as the commissioner shall provide by rule or regu-
5 lation. If a person has been determined to be presumptively eligible for
6 medical assistance, pursuant to this subdivision, and is subsequently
7 determined to be ineligible for such assistance, the commissioner, on
8 behalf of the state and the local social services district shall have
9 the authority to recoup from the individual the sums expended for such
10 assistance during the period of presumed eligibility.

11 2. Payment for up to sixty days of care for services provided under
12 the medical assistance program shall be made for an applicant presumed
13 eligible for medical assistance pursuant to subdivision one of this
14 section provided, however, that such payment shall not exceed sixty-five
15 percent of the rate payable under this title for services provided by a
16 certified home health agency, [long term home health care program,]
17 hospice or residential health care facility. Notwithstanding any other
18 provision of law, no federal financial participation shall be claimed
19 for services provided to a person while presumed eligible for medical
20 assistance under this program until such person has been determined to
21 be eligible for medical assistance by the local social services
22 district. During the period of presumed medical assistance eligibility,
23 payment for services provided persons presumed eligible under this
24 program shall be made from state funds. Upon the final determination of
25 eligibility by the local social services district, payment shall be made
26 for the balance of the cost of such care and services provided to such
27 applicant for such period of eligibility and a retroactive adjustment
28 shall be made by the department to appropriately reflect federal finan-
29 cial participation and the local share of costs for the services
30 provided during the period of presumptive eligibility. Such federal and
31 local financial participation shall be the same as that which would have
32 occurred if a final determination of eligibility for medical assistance
33 had been made prior to the provision of the services provided during the
34 period of presumptive eligibility. In instances where an individual who
35 is presumed eligible for medical assistance is subsequently determined
36 to be ineligible, the cost for services provided to such individual
37 shall be reimbursed in accordance with the provisions of section three
38 hundred sixty-eight-a of this [article] TITLE. Provided, however, if
39 upon audit the department determines that there are subsequent determi-
40 nations of ineligibility for medical assistance in at least fifteen
41 percent of the cases in which presumptive eligibility has been granted
42 in a local social services district, payments for services provided to
43 all persons presumed eligible and subsequently determined ineligible for
44 medical assistance shall be divided equally by the state and the
45 district.

46 S 2. Paragraph (d) of subdivision 2 of section 365-f of the social
47 services law, as added by chapter 81 of the laws of 1995, is amended to
48 read as follows:

49 (d) meets such other criteria, as may be established by the commis-
50 sioner, which are necessary to effectively implement the objectives of
51 this section. SUCH CRITERIA SHALL INCLUDE, BUT NOT BE LIMITED TO, A
52 REQUIREMENT THAT ANY PERSON WHO IS ELIGIBLE FOR, OR REASONABLY APPEARS
53 TO MEET THE CRITERIA OF ELIGIBILITY FOR, BENEFITS UNDER SUBCHAPTER XVIII
54 OF THE FEDERAL SOCIAL SECURITY ACT SHALL BE REQUIRED TO APPLY FOR AND
55 FULLY UTILIZE SUCH BENEFITS IN ACCORDANCE WITH THIS CHAPTER TO DEFRAY
56 THE COSTS OF THE PROGRAM. IF SUCH PERSON APPLIES FOR SUCH BENEFITS UNDER

SUBCHAPTER XVIII OF THE FEDERAL SOCIAL SECURITY ACT AND SUCH PERSON'S APPLICATION THEREFOR IS DENIED, SUCH PERSON MUST APPEAL SUCH DENIAL OR PERMIT THE LOCAL SOCIAL SERVICES OFFICIAL TO DO SO ON HIS OR HER BEHALF. IF SUCH PERSON RECEIVES SUCH BENEFITS UNDER SUBCHAPTER XVIII OF THE FEDERAL SOCIAL SECURITY ACT AND SUCH PERSON'S CONTINUING RECEIPT THEREOF IS TERMINATED, SUCH PERSON MUST APPEAL SUCH TERMINATION OR PERMIT THE LOCAL SOCIAL SERVICES OFFICIAL TO DO SO ON HIS OR HER BEHALF.

S 3. Subparagraph 1 of paragraph (b) of subdivision 2 of section 366 of the social services law, as amended by chapter 638 of the laws of 1993 and designated by chapter 170 of the laws of 1994, is amended to read as follows:

(1) In establishing standards for determining eligibility for and amount of such assistance, the department shall take into account only such income and resources, in accordance with federal requirements, as are available to the applicant or recipient and as would not be required to be disregarded or set aside for future needs, and there shall be a reasonable evaluation of any such income or resources. The department shall not consider the availability of an option for an accelerated payment of death benefits or special surrender value pursuant to paragraph one of subsection (a) of section one thousand one hundred thirteen of the insurance law, or an option to enter into a viatical settlement pursuant to the provisions of article seventy-eight of the insurance law, as an available resource in determining eligibility for an amount of such assistance, provided, however, that the payment of such benefits shall be considered in determining eligibility for and amount of such assistance. There shall not be taken into consideration the financial responsibility of any individual for any applicant or recipient of assistance under this title unless such applicant or recipient is such individual's spouse or such individual's child who is under twenty-one years of age. In determining the eligibility of a child who is categorically eligible as blind or disabled, as determined under regulations prescribed by the social security act for medical assistance, the income and resources of parents or spouses of parents are not considered available to that child if [she/he] HE OR SHE does not regularly share the common household even if the child returns to the common household for periodic visits. In the application of standards of eligibility with respect to income, costs incurred for medical care, whether in the form of insurance premiums or otherwise, shall be taken into account. Any person who is eligible for, or reasonably appears to meet the criteria of eligibility for, benefits under [title] SUBCHAPTER XVIII of the federal social security act shall be required to apply for and fully utilize such benefits in accordance with this chapter. IN THE CASE OF A PERSON WHO IS RECEIVING OR SEEKING LONG TERM CARE, BENEFITS UNDER SUBCHAPTER XVIII OF THE FEDERAL SOCIAL SECURITY ACT SHALL BE FULLY UTILIZED IN ACCORDANCE WITH THIS CHAPTER TO DEFRAY THE COSTS OF SUCH LONG TERM CARE. IF SUCH PERSON APPLIES FOR SUCH BENEFITS UNDER SUBCHAPTER XVIII OF THE FEDERAL SOCIAL SECURITY ACT AND SUCH PERSON'S APPLICATION THEREFOR IS DENIED, SUCH PERSON MUST APPEAL SUCH DENIAL OR PERMIT THE LOCAL SOCIAL SERVICES OFFICIAL TO DO SO ON HIS OR HER BEHALF. IF SUCH PERSON RECEIVES SUCH BENEFITS UNDER SUBCHAPTER XVIII OF THE FEDERAL SOCIAL SECURITY ACT AND SUCH PERSON'S CONTINUING RECEIPT THEREOF IS TERMINATED, SUCH PERSON MUST APPEAL SUCH TERMINATION OR PERMIT THE LOCAL SOCIAL SERVICES OFFICIAL TO DO SO ON HIS OR HER BEHALF.
