8 fy for the applicable benefit during the applicable time periods speci-
9 fied in this act. Further, nothing in this act shall be construed to
10 create an expectation of a future or continuing retirement benefit for
11 any public employee who is not eligible to receive and qualify for the
12 retirement benefits herein during the applicable time periods.

15 its operation to the clause, sentence, paragraph, subdivision, section
16 or part thereof directly involved in the controversy in which such judg-
17 ment shall have been rendered. It is hereby declared to be the intent of
18 the legislature that this act would have been enacted even if such
19 invalid provisions had not been included herein.

20 S 8. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would eliminate the early retirement reductions for Tier 2,
3 and 4 members of the New York State and Local Employees' Retirement
System (ERS) and the New York State Teachers' Retirement System who are
employed by educational institutions, whose positions are represented by
NYSUT and who retire within their employer's 90 day open election period,
which may not extend beyond December 31, 2010.

The exact number of members who would be affected by this cannot be
readily determined.

If this bill is enacted, insofar as it affects the New York State and
Local Employees' Retirement System (ERS), the additional cost for each
member who receives these benefits will vary depending on the member's
age, years of service, plans and final average salary. We estimate that
the per-member cost could average approximately 110% of a member's final
average salary. We anticipate that the number of participants will be
less than 1000. For every 100 participants, we estimate that there would
be an increase in the annual contributions of approximately \$260,000 to
the State of New York and \$360,000 to the participating employers in the
ERS.

This estimate, dated January 8, 2010, and intended for use only during
the 2010 Legislative Session, is Fiscal Note No. 2010-66, prepared by
the Actuary for the New York State and Local Employees' Retirement
System.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide a temporary retirement incentive during fiscal
year 2010-2011. This incentive would permit eligible Tier 2, 3 and 4
members to retire without early retirement reductions upon attainment of
at least age 55 with 25 years of service. Currently 30 years of service
are required in order to retire without reduction. In order to receive
this benefit, a member must retire during the designated 90-day open
period, beginning on June 1, 2010 for educational employers. In order
to be eligible, a member must be an employee of a participating employer
and hold a position represented by one of the recognized collective
bargaining units affiliated with the New York State United Teachers
(NYSUT) as certified by his or her employer. The cost of this incentive
will be socialized across all employers.

The annual cost to the employers of members of the New York State Teachers' Retirement System for this benefit is estimated to be \$13.2 million or .09% of payroll if this bill is enacted.

The source of this estimate is Fiscal Note 2010-11 dated February 24, 2010 prepared by the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2010 Legislative Session.
