AN ACT to amend the state finance law, in relation to contracts by state agencies for consultant services

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

The legislature finds further that the people of the state also employ a skilled experienced work force who should perform work the state requires whenever possible. The legislature finds further that a regularized transparent process would enhance public confidence in the expenditure of public money to private entities for the performance of public services.
