Introduced by Sen. HUNTLEY -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education

AN ACT to amend the education law, in relation to the registration of entities providing certain professional services and the licensure of certain professionals; to amend chapter 420 of the laws of 2002, amending the education law relating to the profession of social work, in relation to the effect of such provisions on certain governmental entities and the effectiveness thereof; and to amend chapter 676 of the laws of 2002, amending the education law relating to mental health care practitioners, in relation to the effect of such provisions on certain governmental entities and the effectiveness thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative intent. The establishment of restricted practice for the professions of licensed master social work, licensed clin-3 ical social work, licensed mental health counseling, licensed marriage and family therapy, licensed creative arts therapy, licensed psychoanal-5 ysis, and licensed psychology has advanced the goal of protecting the public from unqualified practitioners, particularly those providing 7 psychotherapy and other services that are now restricted under the decades, not-for-profit corporations, education law. For 9 corporations, firms and business corporations employed individuals to provide social work and mental health services. The licensing law did 10 not provide a general recognition of such providers that employ individ-11 12 uals licensed in these professions but who are not authorized under 13 appropriate laws, such as the mental hygiene law and the public health 14 Therefore, enforcement of prohibitions in the education law could 15 result in the shuttering of long-standing providers and the services to individuals and families across New York state. This act 16 establishes an exemption from corporate practice prohibitions for enti-17 18 ties that register with the education department by July 1, 2012 in order to employ licensed professionals to provide services. In addition, 20 the commissioner of education is directed to convene a work group to identify ways to ensure compliance with corporate practice prohibitions 21
