Introduced by Sen. PERALTA -- read twice and ordered printed, and when printed to be committed to the Committee on Labor

AN ACT to amend the labor law, in relation to establishing the "minimum standards for subsidized jobs act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

11 they increase the need for government services, including public assist-
12 ance for food, housing, health care, and child care.
13 The purpose of this act is to improve the effectiveness of economic
14 development expenditures, take pressure off state social services
15 programs, and improve the public health and welfare by ensuring that
16 major state subsidies are used to support at least minimum living stand-
17 ards for working families.
