THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Subdivision 1 of section 341 of the social services law, as amended by section 1 of part D of chapter 61 of the laws of 2006, is amended to read as follows:

1. (a) Consistent with federal law and regulations and this title, if a participant has failed or refused to comply with the requirements of this title, the social services district shall issue a notice in plain language indicating that such failure or refusal has taken place and of the right of such participant to conciliation to resolve the reasons for such failure or refusal to avoid a pro-rata reduction in public assistance benefits for a period of time set forth in section three hundred forty-two of this title. The notice shall indicate the specific instance or instances of [willful] refusal or failure to comply without good cause with the requirements of this title and the necessary actions that must be taken to avoid a pro-rata reduction in public assistance benefits. The notice shall indicate that the participant has seven days to request conciliation with the district regarding such failure or refusal in the case of a safety net participant and ten days in the case of a family assistance participant. The notice shall also include an explanation in plain language of what would constitute good cause for non-compliance and examples of acceptable forms of evidence that may warrant an exemption from work activities, including evidence of domestic violence, and physical or mental health limitations that may be provided at the conciliation conference to demonstrate such good cause for failure to comply with the requirements of this title. contact the district within the specified number of days, the district shall issue ten days notice of intent to discontinue or reduce assistance, pursuant to regulations of the department. Such notice shall also include a statement of the participant's right to a fair hearing relating to such discontinuance or reduction. If such participant contacts the district within seven days in the case of a safety net participant or within ten days in the case of a family assistance participant, it will be the responsibility of the participant to give reasons for such failure or refusal.

(b) Unless the district determines as a result of such conciliation process that such failure or refusal was [willful and was] without good cause, no further action shall be taken. If the district determines that such failure or refusal was [willful and] without good cause, the district shall notify such participant in writing, in plain language and in a manner distinct from any previous notice, by issuing ten days notice of its intent to discontinue or reduce assistance. Such notice shall include the reasons for such determination, the specific instance or instances of [willful] refusal or failure to comply without good cause with the requirements of this title, the necessary actions that must be taken to avoid a pro-rata reduction in public assistance benefits, and the right to a fair hearing relating to such discontinuance or reduction. Unless extended by mutual agreement of the participant and the district, conciliation shall terminate and a determination shall be made within fourteen days of the date a request for conciliation is made in the case of a safety net participant or within thirty days of the conciliation notice in the case of a family assistance participant.

S 2. This act shall take effect immediately.
