If this legislation is enacted during the 2012 legislative session, we anticipate that there will be an increase of approximately \$5,800 in the annual contributions of the City of Niagara Falls for the fiscal year ending March 31, 2013.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$102,000, which would be borne by the City of Niagara Falls as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2013.
